

MY LIFE WITH THE SAINTS

[Download Complete File](#)

What do the lives of saints teach us? Why are more and more people interested in the saints? Well, the saints inspire us to lead joyful lives; they serve as role models; they teach us that holiness means being who you are; and—as an added benefit—they pray for us from their posts in heaven.

What are the 3 things that stop us from being saints?

How can saints help us in our lives? They inspire us by their heroic lives, and help us by their constant prayers to be the living sign of your saving power.” In rare situations, saints may speak to some people. Most often, the saints help us through their encouraging example to live the Good News generously.

What are the seven daily habits of saints?

What does God say about saints? If you have put your trust in Jesus then You are a Saint. That's how your loving Heavenly Father sees you, When he looks at you, he sees not a miserable sinner, nor a useless failure, but a saint. Someone holy, special and set apart.

What saint protects you from everything? Michael for protection and strength. He is the patron saint of protection and can help you overcome any danger. He will also give you the fortitude you need to stay strong in times of spiritual conflict and temptation.

Can the saints communicate with us? The common understanding is that the saints are aware of our prayer requests through union with God. It is reasonable to suppose that, in the perfect state of heaven, people will have whatever information is relevant to them. Thus God can make a saint aware that someone is asking for his

intercession.

Can saints hear our thoughts? Thus it is held that they are made aware by God of requests for their intercession (and other relevant information) but that they do not have unrestricted awareness of our thoughts and circumstances.

Can the deceased hear our prayers? We will love like God loves! I think that we can rest assured that our deceased loved ones are in fact aware of our thoughts and prayers because they are with God. I feel certain that our deceased loved ones love us and pray for us. Here's the caveat though — our deceased loved ones also love everyone the same way.
