

Antigone prologue scene 2 selection test b answers

Download Complete File

What happened in Scene 2 of Antigone? The second scene from Antigone explores the conflict between the laws of government and the laws of religion. As monarch, Creon is the embodiment of the government of Thebes and believes he has the right to determine who is to live and who is to die, as well as who is honored and who is disgraced after death.

What happens in the prologue of Antigone Sophocles? What is the beginning of "Antigone" about? Antigone and her sister, Ismene, discuss the death of their brother, Polyneices, and Creon's decree that Polyneices will not receive a proper burial. Antigone reveals her intention to bury Polyneices and asks for Ismene's help. Ismene refuses.

What is an important quote from Antigone Scene 2? It is my nature to join in love, not hate. The dead man and the gods who rule the dead Know whose act this was. Words are not friends. You are alive, but I belong to Death.

What is the Sentry's primary concern in Antigone? The Sentry has to deliver the news to Creon that someone has attempted to bury the body of Polyneices.

What happens in Act 2 of Antigone? In Scene 2, Antigone is brought before Creon to answer for burying her brother against his orders. The two debate the authority of Creon's edict vs. the laws of the gods, which require Polyneices's burial. Creon sentences Antigone to death, despite the chorus and sentry's disapproval.

What happened in Ode 2 of Antigone? The meaning of Ode 2 in Antigone is a dark warning about the wrath of the gods and foreshadows the tragic fate of

Antigone. It discusses how the gods punish transgressions by punishing both the transgressor and their family for generations.

What is Antigone's conflict or problem in the prologue? Antigone, for example, faces conflict due to her pride as she feels she is doing the right thing in burying her brother. However, she also must deal with the conflict between following the law or burying her brother according to religious law.

What happens in the opening scene of Antigone? Scene One: Antigone tries to convince her sister Ismene to join her in burying their brother Polynices. Ismene refuses, because their uncle Creon has decreed that anyone who does will pay the penalty of death. First Ode: The Chorus of Old Men celebrate Thebes' victory over Polynices' army.

What is ironic in the prologue of Antigone? Antigone showed verbal irony when she said, "our good Creon" (prologue line 23). This shows irony because Antigone did not believe that Creon was good when he said Polyneices could not be buried. She was being sarcastic and rude towards Creon when she said this to Ismene.

What is a central idea in Part 2 of Antigone Antigone Part 2? Antigone believes that people are afraid to stand up to Creon. A central idea in Part 2 of Antigone is that Creon perceives Antigone's defiance to be particularly offensive because she is a woman.

What is the greatest force motivating Antigone in Scene 2? I would say that the greatest force motivating Antigone at this point in the story would be pride. While she may have been motivated by love in the beginning, that changes when Creon questions her integrity in burying her brother and she has to defend herself and her honor before him.

Why did Antigone hang herself? Answer and Explanation: Antigone hangs herself inside her cell. She believes Creon will keep her imprisoned for the rest of her life, and she decides death is preferable to living inside a tomb. If Creon had allowed her to mourn her brothers' deaths, she might have been able to move on past her grief.

Who is most to blame in Antigone? Answer and Explanation: Antigone blames Creon for her death, and her father Oedipus for her general ill fortune. However, she

is not angry at Oedipus, just resigned to the tragic fates of his entire family. She is angry with Creon, who she believes has made a grave error in judgement.

What is Antigone's tragic flaw? What tragic flaw does Antigone have? Antigone's tragic flaw is stubborn loyalty. She believes she has a sacred duty to bury her brother, even though she knows she will be killed for doing so. However, she fails to consider how her actions will affect her sister Ismene or her fiance Haemon.

What image does the sentry compare Antigone to? The sentry uses a mother bird metaphor to describe Antigone's cry in the following manner: "... sharp, piercing cry, like a bird come back to an empty nest, peering into its bed and all the babies gone...." This suggests that not only is Antigone acting as a sister but also in place of the siblings' mother, Jocasta.

What happens in Act 2 Prologue? In the prologue of Act 2, the chorus recaps the events of Act 1, reminding the audience that Romeo has fallen out of his unrequited love for Rosaline, and fallen in love with Juliet, who returns his feelings.

What happens in Act 2 Scene 2 summary? Act 2, Scene 2 Summary: Romeo stands below Juliet's balcony, marveling at her beauty. Not knowing he's there, Juliet speaks, wondering why Romeo must be a Montague, and she a Capulet. She thinks a name is simply a word, and it would be easy for Romeo to take a new name, and therefore not be forbidden to her.

How does Antigone defend her actions in Scene 2? How does Antigone defend her actions? she says that if she had left him unburied she would be left to suffer. She says that even though he's a traitor he is still blood. She now says that she is guilty and that she had taken part in Antigone's crime.

How was Antigone caught in scene 2? The sentry returns with Antigone under guard, and describes for Creon how he and the other sentries caught Antigone in the act of pouring libations over her brother's corpse. His description of a dust storm around the unburied Polynices suggests the displeasure of the gods (373-440).

What does the chorus compare Antigone to in ode 2? Ode 2 is delivered between lines 465 and 492, commenting on the fate of Oedipus' descendants. Antigone is compared to sand whipped by the wind and to a flower destroyed by

weather and time.

What happens in Antigone Part two? Explanation: Antigone, part 2, Section A by Sophocles is a play that explores the themes of loyalty and the conflict between civil law and divine law. The story follows Antigone, a strong-willed young woman, who defies King Creon's decree and buries her brother, Polynices, against the orders of the state.

What happens in Antigone Part two? Explanation: Antigone, part 2, Section A by Sophocles is a play that explores the themes of loyalty and the conflict between civil law and divine law. The story follows Antigone, a strong-willed young woman, who defies King Creon's decree and buries her brother, Polynices, against the orders of the state.

What is the central idea explored in part 2 of Antigone? Antigone believes that people are afraid to stand up to Creon. A central idea in Part 2 of Antigone is that Creon perceives Antigone's defiance to be particularly offensive because she is a woman.

How does Antigone defend her actions in Scene 2? How does Antigone defend her actions? she says that if she had left him unburied she would be left to suffer. She says that even though he's a traitor he is still blood. She now says that she is guilty and that she had taken part in Antigone's crime.

Why is Creon upset in Scene 2? Why is Creon upset at the opening of scene 2? Oedipus was accusing him for plotting against him to be king and he accused him of killing the king. What's Creon's defense against the accusations against him? He likes the job he has and he believes that being the king is too much work and stress.
