## [Download Complete File](#)

**In what order should I read Deltora Quest?** The Deltora Quest is a collective title for three series of children's fantasy books with a continuing, classical quest storyline, comprised of: the Deltora Quest, Deltora Shadowlands, and Dragons of Deltora, also titled Deltora Quest 1, 2, and 3, respectively. Ideally, the three series should be read in order.

**How many books does Deltora Quest have?** The series consists of fifteen books: the first eight comprise the Deltora Quest series, the next three comprise the Deltora Shadowlands series (also known as Deltora Quest 2, Deltora II or Deltora 2) and the final four comprise the Dragons of Deltora series (also known as Deltora Quest 3, Deltora III or Deltora 3).

**Is the Deltora Quest worth reading as an adult?** I read all of these books when I was 12-15. A couple summers ago I was feeling super nostalgic and reread the entire series (age 21). I was very surprised at how well the dialogue, world building, plot (and its twists), and character development held up. I HIGHLY recommend this series.

**Will there be a Deltora Quest 4?** The peaceful Deltora Kingdom is in peril due to the machinations of the Shadow King.

**Is Rowan of Rin connected to Deltora Quest?** When Scholastic released Emily Rodda's Star of Deltora fantasy series, the Rowan of Rin series was revealed to be part of the world of Deltora, and the lands mentioned in the books are islands located to the west of Deltora.

**Is there romance in Deltora Quest?** At the end of the series, Lief and Jasmine marry and have three children: a daughter, Anna, named after Jasmine's mother, and twin sons, Endon and Jarred, named after Lief's father and Jasmine's father, respectively.

**What grade level is Deltora Quest?** The Deltora Quest books are slightly more advanced than the Rowan of Rin books. My twin sons read them when they were 9 and I think they're probably most suited to 9-10 year olds. They're also great to read aloud to 7-8 year olds. Both boys and girls love these books but they seem to appeal especially strongly to boys.

**How old is Lief in Deltora Quest?** This story follows Lief, a sixteen year old boy, who has been sent on a journey to save the land of Deltora. Years before, the evil shadowlord managed to steal the belt of Deltora, a magical belt made up of 7 gems that together, help to rid their land of evil.

**What happens at the end of the Deltora Quest?** And then Lief realises what the final secret is. The Belt of Deltora will only be fully restored and have the power to expel the Shadow Lord when its gems are arranged in the order in which Adin first added them to the Belt. Lief eases the gems out of their places and places them in a different order — the right order.

**Who are the bad guys in Deltora Quest?**

**What does the ruby do in Deltora Quest?** The Ruby pales in the presence of evil or misfortune threatens its wearer, so can be used to be able to defend oneself from attack by an enemy. It wards off evil spirits, meaning that no evil can attack the wearer when the Ruby shows its power. It also is an antidote to snake venom.

**Who is Jarred in Deltora Quest?** Jarred is one of the two sons of King Lief and Queen Jasmine. He and his twin brother, Endon, are the princes of Deltora. He is also one of the younger brothers of Anna. Jarred is named after his maternal grandfather.

**Who is the king of Deltora Quest?** Endon was the thirteenth known monarch and a king of Deltora. He was the ruling monarch during the Shadowlands invasion, the husband of Queen Sharn and the father of Lief. After escaping the palace, he went

into hiding in Del's forge and adopted the identity of his best friend Jarred to protect the kingdom.

**Who is Barda in Deltora Quest?** Barda. A man of great strength and conviction. Before the Shadow Lord took control of Deltora, Barda was a guard at the palace of Del. His mother Min was a great gossip and the nursemaid to young Jarred and Endon.

**What does the emerald do in Deltora Quest?** Powers. The Emerald dulls in the presence of evil or when a vow is broken. It provides a remedy for sores and ulcers and is an antidote to poison.
