

# THE BOOK OF NATHAN THE PROPHET GAD THE SEER JEHU

## [Download Complete File](#)

**Is there a book of Nathan and Gad?** The Book is described at 1 Chronicles 29:29: "Now the acts of David the king, first and last, behold, they are written in the book of Samuel the seer, and in the book of Nathan the prophet, and in the book of Gad the seer."

**What happened to the book of Nathan?** Part of the lost five books of the prophets, with The Book Of Gad The Seer, The Book Of Nathan The Prophet is one of two of the unique books from the Cochin Jews broader canon published in English. Sadly, only three fragments are known, with vague origins. The fragments were uncovered by Ken Johnson Th.

**Why is the book of Gad not in the Bible?** A book by the name Words of Gad the Seer is mentioned at the end of I Chronicles, presumably one of the sources of the history of King David. Ever since the book was considered lost and it is mentioned nowhere.

**Who is the seer in the Bible?** A seer is a prophet who sees visions. They see what God is doing and revealing, rather than just hearing his words. So a seer is a prophet, but a prophet isn't necessarily a seer. It's not that a seer doesn't hear God's voice, or that a prophet doesn't see him in the spirit.

**Is there a book of Jehu in the Bible?** The book is described in 2 Chronicles 20:34: "Now the rest of the acts of Jehoshaphat, first and last, behold, they are written in the book of Jehu the son of Hanani, which is mentioned in the book of the Kings of Israel."

**Who is the father of Nathan the prophet?** Nathan is a son born to David and Bathsheba. The first book of the Books of Chronicles has a passage that states the sons of David born to him in Hebron, before recounting their sons and then nine more sons and one daughter of David who were also born to him in Jerusalem.

**Did the prophet Nathan have a son?** He is not mentioned in Chronicles in connection with the Bath-sheba episode or with the anointment of Solomon. A grave at Halhul, near Hebron, is pointed out as that of Nathan, but this is doubtful. Two sons of Nathan, Azariah and Zabud, are mentioned as princes and officers under Solomon (I Kings iv. 5).

## **The Hidden Gifts of Introverted Children: Helping Them Thrive in an Extroverted World**

By Marti Olsen Laney

Introverted children often feel like outsiders in an extroverted world. They prefer quiet time alone, while their peers seem to crave constant social interaction. However, introversion is not a deficit; it's a unique set of strengths that can be harnessed to help children thrive. Here are five key questions and answers to guide you in supporting your introverted child:

### **1. What makes an introverted child different?**

Introverted children are typically characterized by inward-directed energy and a preference for solitary activities. They are often deep thinkers, observant listeners, and creative problem-solvers.

### **2. How can I help my introverted child feel comfortable in social situations?**

Respect their need for quiet time and don't force them into overly stimulating environments. Instead, provide opportunities for small group interactions or one-on-one activities where they can feel more at ease.

### **3. What are the strengths of introverted children?**

Introverts excel at introspection, self-reflection, and imaginative play. They are often highly intuitive, empathetic, and possess a rich inner world. These qualities can

contribute to their creativity, emotional intelligence, and future success.

#### **4. How can I encourage my introverted child's strengths?**

Provide them with safe spaces where they can explore their interests independently, such as a quiet corner for reading or a designated area for creative play. Also, engage them in activities that foster self-awareness, like journaling or mindfulness practices.

#### **5. What are some challenges that introverted children may face?**

In an extroverted-focused society, introverted children can sometimes feel misunderstood or undervalued. They may be perceived as shy, aloof, or lacking social skills. It's crucial to validate their experiences and help them develop coping mechanisms to navigate social expectations.

Remember, it's not about changing who your introverted child is, but rather embracing their unique qualities and providing them with the support they need to blossom. By understanding and fostering their hidden gifts, you can help introverted children thrive in an extroverted world.
