## **Tribal People Planning Framework: A Ministry of Skill**

## **What is the Tribal People Planning Framework (TPPF)?**

The TPPF is a comprehensive framework developed by the Ministry of Skill Development and Entrepreneurship (MSDE) to address the unique challenges and opportunities faced by tribal communities in accessing skill development programs. It aims to provide a structured approach to planning and implementing skill development initiatives that are tailored to the specific needs of tribal people.

## **What are the key objectives of the TPPF?**

The TPPF has several key objectives, including:

- Improving access to skill development programs for tribal people
- Enhancing the quality and relevance of skill training programs
- Promoting entrepreneurship and self-employment among tribal communities
- Building capacity within tribal communities to implement skill development programs

## **How is the TPPF implemented?**

The TPPF is implemented through a collaborative partnership between the MSDE, state governments, tribal organizations, and skill training providers. The framework provides guidance on:

- Conducting needs assessments to identify the specific skill requirements of tribal communities
- Designing and developing tailored skill development programs
- Delivering training programs in remote and accessible locations
- Providing support services to trainees, such as accommodation and transportation

## **What are the expected outcomes of the TPPF?**

The TPPF is expected to lead to several positive outcomes, including:

- Increased participation of tribal people in skill development programs

- Improved employability and income generation opportunities for tribal communities
- Enhanced social and economic development in tribal areas
- Preservation and promotion of tribal culture and traditions

### How can I learn more about the TPPF?

For more information about the TPPF, you can visit the website of the Ministry of Skill Development and Entrepreneurship or contact your local skill development center.
