**Should I change my oil at 5000 km or 10000 km?** As a general rule, oil should be changed every 5,000-15,000km and at least once a year - but check your owner manual for your brand's recommendations.

**What happens if an oil change is overdue?** Complete Engine Failure – If you go long enough without an oil change, it could cost you a car. Once the motor oil becomes sludge, it no longer removes heat from the engine. This can lead to a complete engine shutdown that will require a brand new engine – or a new ride – to fix.

### **The Templar Salvation: A Q&A with Raymond Khoury**

#### **1. What is "The Templar Salvation" about?**

"The Templar Salvation" is the latest novel in the popular Templar series by Raymond Khoury. It follows the adventures of Sean Reilly, a former journalist who has become the de facto leader of the surviving Knights Templar. In this installment, Reilly and his team must race against time to stop a rogue Templar sect from unleashing a devastating weapon that could reshape the world.

#### **2. Why did you decide to write this story?**

I've always been fascinated by the Knights Templar, a mysterious and influential order that played a significant role in the history of the Crusades. I wanted to explore their legacy and the idea that some of their secrets might still be hidden after all these centuries.

#### **3. What are some of the themes that you explore in the novel?**

"The Templar Salvation" deals with themes of faith, betrayal, and the enduring power of secrets. It also explores the idea of a hidden history, and the ways in which the past can continue to haunt the present.

#### **4. What can readers expect from this novel compared to your previous works?**

"The Templar Salvation" is a fast-paced thriller with plenty of action and suspense. However, it also delves deeper into the characters and their motivations than my previous books. I hope readers will find it both exciting and thought-provoking.

#### **5. What are your plans for the Templar series going forward?**

I'm not sure yet. I'm still working on "The Templar Salvation," and I want to see how it's received by readers before making any decisions about the future of the series. However, I do have some ideas for potential new stories, and I'm excited to continue exploring this world and these characters.
