What is the summary of the roll Jordan roll? In the monumental Roll, Jordan, Roll: The World the Slaves Made, Eugene Genovese explores the lives of antebellum slaves. Genovese argues “the slaves, as an objective social class, laid the foundation for a separate black national culture while enormously enriching American culture as a whole” (p.

What is the significance of paternalism to the Old South? The ideology of paternalism meant that the masters took care of their slaves because they were personally attached to them. Genovese believes that this was especially true because slaves were given an abundant supply of food by their masters, and they retained a plentiful, if not nutritionally, balanced diet.

What is the main idea of roll with it? Roll with It is a heartwarming story about 12-year-old Ellie, who dreams of becoming a professional baker. Despite the challenges of her cerebral palsy, she navigates new friendships and experiences, teaching valuable lessons about acceptance and resilience.

What is the summary of the Jordan case? v. Jordan. Jordan set out rules to decide how long is too long for a criminal trial. It said that most trials should finish either 18 or 30 months after a person is charged, depending on the type of trial.

How did both slaveholders and slaves use the concept of paternalism to their advantage? How did both enslavers and slaves use the concept of paternalism to their advantage? Southern Whites often used paternalism to justify the institution of slavery, arguing that slaves, like children, needed the care, feeding, discipline, and moral and religious education that they could provide.

Who were the free black people in the antebellum South? Free blacks in the Lower South were more urban, educated, wealthier, and were generally of mixed race with white fathers, compared to free blacks in the Upper South. Despite these differences, the Southern states passed similar laws to regulate black life, borrowing from one another.

How did paternalism hide the reality of life for slaves? The paternalistic view of slavery argued that it was the responsibility of the masters to care for the slaves, to provide them protection, guidance, and attention. Masters saw themselves as kind and it disguised the brutality of slavery as a rehabilitation or improvement to slave's lives.
