The "*Catcher in the Rye*" idea is based on a misreading of a line in the song "*Comin' Thro' the Rye*," by Robert Burns, which Holden heard a young boy singing. The young boy mistakenly substituted "When a body catch a body, comin' thro' the rye" for "When a body meet a body, comin' thro' the rye."

What happens to Holden at the end of *Catcher in the Rye*? Holden refuses to allow Phoebe to run away with him and takes her to the zoo instead, where he watches her ride the carousel in the rain.
