What is *Speak* by Laurie Halse Anderson about? The young adult novel *Speak*, by Laurie Halse Anderson, follows the freshman school year of a young girl named Melinda Sordino. Published in 1999, Anderson aimed to shed light on the subjects of sexual assault, mental health, and forming an identity throughout one's teenage years.

Is *Speak* based on a true story? The novel was based on Anderson's personal experience of having been raped as a teenager and the trauma she faced. Since its publication, the novel has won several awards and has been translated into sixteen languages.

Why is *Speak* a good book? *Speak* is a novel about empowerment and it is a book that every teen, especially teen girls, should read. There is a time to be quiet and a time to speak out, and on the issue of sexual assault, a young woman needs to find the courage to raise her voice and ask for help.

Why is the book *Speak* called *Speak*? Laurie Halse Anderson's *Speak* is a novel that makes a definite argument. The title gives us a pretty big hint as to what this might be. In short, the novel argues that if you are a victim of a sexual assault, you will need to speak about it in order to heal.

Why did *Speak* get banned? The professor, Wesley Scroggins, “deemed the discussion of rape as “soft pornography.” To him, the novel was “filthy” and lacked morality” (Winkler). It has also been challenged due to a political viewpoint, claimed to be biased against male students, and for the novel's inclusion of rape and profanity (Winkler).

What is the message behind *Speak*? *Speak* explores why communication is important, and how suppressing it allows negative situations to proliferate. The teachers at Melinda's school, for instance, create barriers to free expression in different ways.

Is Melinda suicidal in *Speak*? Her mother finds her, gives her a pillow, and closes the door, not even attempting to speak to her. In the closet, Melinda uses a paper clip to scratch her wrist, calling her self-harm a “[p]itiful” suicide attempt, and a “whimper” for help.

How does *Speak* end? This act of bravery not only brings closure to Melinda but also empowers her to reclaim her voice and her life. By the end of the novel, Melinda has transformed from a silent victim to a survivor. She completes her tree sculpture, symbolizing her journey towards healing and self-acceptance.

Who is the villain in *Speak*? Andy Evans is the antagonist in *Speak*. He is a narcissistic senior in high school who is used to getting his way, either through charm or by force. After raping Melinda at a summer party, he continues to antagonize her throughout the novel, showing his inability to empathize with others.

What age is *Speak*?

What was the inspiration for *Speak*? Anderson said she wrote “*Speak*” based on her own experience of being raped as a teen. She struggled for years to find the words or the courage to express what she'd gone through. Much has changed since then, she said, and “*Speak*” has become required reading in some schools across the country.

What does the book *Speak* teach? *Speak* is a compelling, oftentimes brutal coming-of-age story about Melinda, a high school freshman. The novel deals with sensitive subjects like rape and depression while allowing students to relate to and empathize with the narrator and discuss these topics in a constructive and safe setting.

How old was Melinda in *Speak*? *Speak*, by Laurie Halse Anderson, chronicles the struggles of thirteen-year-old Melinda Sordino after she is raped by at a party the summer before her freshman year of high school by another student. Melinda tells

HABLA LAURIE HALSE ANDERSON

her story in first person narrative.

What is Melinda's full name in *Speak*? Melinda "Mel" Sordino (born February 18) is the main character and narrator of Laurie Halse Anderson's 1999 novel *Speak*. Her last name, Sordino, is an Italian word that can be translated as "deaf." The character's ordeals were based on Anderson's own experiences; she was raped one summer prior to starting high school.

What did Melinda learn in *Speak*? Through Mr. Freeman's art project, Melinda relearns how to express herself and is able to begin verbalizing her emotions, and thereby begin processing the attack.

What books are similar to *Speak*?

What are three interesting facts about Laurie Halse Anderson? As a teenager, Laurie escaped the traditional classroom and was a foreign exchange student in Denmark, where she worked on pig farm. She developed a fondness for bacon and working with animals. While attending Onondaga Community College, she worked at a dairy farm.

Why do people like the book *Speak*? Written in the first person, *Speak* allows readers to feel Melinda's pain, her struggle between the part of her who wants to wallow in sorrow and the part of her who wants to live again, and the intense fear when she encounters "IT" in the hallways or around town.

What was the problem in the book *Speak*? Laurie Halse Anderson's celebrated young adult novel *Speak* tells the story of Melinda, a high school student who stops speaking after a sexual assault. *Speak* was a National Book Award finalist. It was also an immediate target for censors.

What is the lesson in *Speak*? The main theme explored in *Speak* is the importance of communication, but in the first chapters, Melinda actively avoids communicating. Melinda spends most of the first marking period hiding from her parents, from Mr. Neck, and from social situations like pep rallies and lunch.

What is the point of *Speak*? "*Speak*" illustrates various manifestations of Post-Traumatic Stress Disorder (PTSD) through Melinda, and shows the viewer how high school can be the perfect environment to foster a psychological illness. The film
