How does Russell present friendship in Blood Brothers? Russell builds up their friendship for most of the play, creating a heart-warming story of two very different people's bond of friendship. When their social class and circumstances drive that friendship apart, it is all the more tragic.

What are the 3 main themes in Blood Brothers? In Blood Brothers, the themes of social class and inequality, superstition and fate, and violence are explored.

What happens in blood brother? The different environments take the twins to opposite ends of the social spectrum, one becoming a councillor, and the other unemployed and in prison. They both fall in love with the same girl, causing a rift in their friendship and leading to the tragic death of both brothers.

What is the main conflict in the story Blood Brothers? Benjy is an extrovert who is very carefree and fun-loving. However, Paul thinks his brother believes he is superior and as a result, he grows to hate him. Paul is conflicted about his feelings because deep down he wants Benjy to be his friend and confidant. The story ends with Paul attacking Benjy.

What is the irony in Blood Brothers? Dramatic Irony The audience is aware throughout the play that Mickey and Edward are twins, but they do not know this until the very last scene. Tragic Hero - A main character cursed by fate and in possession of a tragic flaw (both Mickey and Edward display some features of tragic heroes).

Why does Linda turn to Eddie? After years of poverty (and Mickey's imprisonment), however, she turns to Edward for comfort and support, and the two begin an affair. Despite this unfaithful act, Linda is a sympathetic character, one who loves both twins, and is driven to betray her husband by desperate and dismal circumstances.

Why did Willy Russell write Our Day Out? Willy Russell had taught at Tiber street school, one of the locations used in the film and called on his experiences of school trips — as a teacher and as a child — when writing the screenplay, which he finished in five days.

order to convey the class divide present within 1960s Liverpool.

Why does Mrs. Lyons try to stab Mrs. Johnstone? Mrs Lyons becomes irrational and paranoid and accuses Mrs Johnstone of following her. She then lunges at Mrs Johnstone with a kitchen knife. This reflects how violence is linked to feelings of powerlessness and instability.

Why does Mrs. Johnstone face snobbery? Johnstone had to struggle so much to raise her family in the face of snobbery from more 'traditional' people after her husband left her for “a girl they say who looks a bit like Marilyn Monroe.” (Act One).

Why is Blood Brothers a tragedy? Tragic Conventions Blood Brothers is a typical tragedy. The first part builds up the turning point (Mrs Johnstone giving up Edward and keeping Mickey), and the second part deal with the consequences of this, which leads to the main character's downfall.

How does Russell use the character of Mickey to show the importance of education in Blood Brothers? Russell uses the character of Mickey to show the importance of education right from the start of the play when Mickey first meets Edward. In this scene we see Mickey asking Edward for a sweet, “Gis a sweet” shows us that Mickey isn't educated and lacks manners, because if he had grown up.

Who is the villain in blood brothers? Lyons: Paranoid. As the villain of the play, Mrs. Lyons displays signs of paranoia and instability.

Why does Mrs. Lyons hit Edward? Upset and angry, Edward swears inexpertly at his mother. Mrs Lyons hits Edward instinctively (p. 37) and immediately regrets it. She sees Edward's swearing as a direct result of Mickey's bad influence.

Who kills Mickey in Blood Brothers? The police open fire and kill Mickey. The play ends with the bodies of the twins on stage and the Narrator asking if superstition is to blame for their deaths or if it is really the class system.

What is the climax of Blood Brothers? Act Two – The climax Mickey sees them together, takes his brother's gun to a council meeting intending to shoot Edward but cannot bring himself to do it. His mother reveals the truth: they are twins. In shock, Mickey pulls the trigger by mistake and kills Edward. The police shoot Mickey dead.

What kind of mother does Russell show Mrs. Johnstone to be? At the start of the play, Russell presents Mrs Johnstone as an unlikeable character. When the Narrator introduces her he calls her a 'mother so cruel', leading the audience to expect a selfish and unloving, unlikeable mother.

What is the obsession in Blood Brothers? How the women's relationship affects Mrs Lyons in particular is revealed by Russell as the play progresses. She develops an obsession about her son needing to stay away from Mickey, causing her husband concern to the point that he advises her to 'see a doctor'.

Why is the number 7 important in Blood Brothers? Seven magpies stand for a secret and the number seven recurs several times in Blood Brothers (Mrs Johnstone has seven children before she has the twins, the play moves forward in seven-year leaps, Mickey is sentenced to seven years in prison).

Why did Paul hate Benjy? Benjy is an extrovert who is very carefree and fun loving. However, Paul thinks his brother believes he is superior and as a result he grows to hate him. Paul is conflicted about his feelings because deep down he wants Benjy to be his friend and confidant. The story ends with Paul attacking Benjy.

How do Blood Brothers end? This revelation completely unhinges Mickey, however, as he realizes that he could be the one living Edward's life. As he gesticulates wildly with the gun, he accidentally shoots and kills his twin, and is immediately shot and killed by the police in turn.
