**Is the lake the first book?** The first book is The Lake by Natasha Preston, and the second is Red Queen by Victoria Aveyard.

**Is The Lady of the Lake a book?** The Lady of the Lake (Polish original title: Pani Jeziora) is the fifth and final novel in the Witcher Saga written by Polish fantasy writer Andrzej Sapkowski, first published in Poland in 1999.

**What age is the book The Lake for?** Everything was going great for me from beginning to the climax, but as it reached the resolution or I would the ending, it just seemed not what I wanted or expected. I would recommend this book to ages 16 and above as it is a cinematic mystery series that includes violence, sex and sorrow.

**Is there romance in The Lake book?** Adrien There is a bit of romance, and while it does relate to the plot, it's not all that important to it.

**Who was the real Lady in the Lake?** Though the body in the lake was identified as Cleo, it was actually the body of her best friend Dora, who had died of an overdose the night that Cleo was supposed to be killed.

**Who married the lady of the lake?**

**Is Lady in the Lake a movie?** Lady in the Lake is a 1947 American film noir starring Robert Montgomery, Audrey Totter, Lloyd Nolan, Tom Tully, Leon Ames and Jayne Meadows.

**What is the summary of the book *The Lake*?** This one surrounded two friends who used to be campers at a Summer Camp and now, they are finally counselors. Something that they have ALWAYS wanted. Soon after they arrive, things start getting weird and someone is watching them.

**Who made the girl in the lake book?** Past and present mingle in this spine-tingling ghost story by award-winning author India Hill Brown.

**Can a 14 year old read *Every Summer After*?** This is not a young adult novel, yet half of the book does focus on Percy and Sam as teenagers, and those chapters reflect their age. They could be read as YA meant for older readers, but they work equally well as an adult looking back on life during those tumultuous years.

**Who is the main character in the book *The Lake*?** Esme and Kayla once were campers at Camp Pine Lake. Now they're back as counselors-in-training. Esme loves the little girls in her cabin and thinks it's funny how scared they are of everything—the woods, the bugs, the boys...even swimming in the lake. The instant New York Times bestseller!
