The Dynamic Nature of Reading: Why it's an Active Activity\*\*

Reading is not merely a passive reception of information. It is an active skill that engages multiple cognitive processes.

### **Skills Employed in Reading:**

When we read, we employ various skills, including:

- **Decoding:** Converting written words into sounds
- **Comprehension:** Understanding the meaning of texts
- **Fluency:** Reading smoothly with good pace and expression
- **Vocabulary:** Knowing the meaning of words
- **Background knowledge:** Connecting new information to existing knowledge

### **Types of Reading Skills:**

Reading skills can be categorized into two types:

- **Basic Reading Skills:** Decoding, fluency, and vocabulary
- **Higher-Order Reading Skills:** Comprehension, critical thinking, and analytical skills

### **Active Reading as a Strategy:**

Active reading is a reading strategy that involves actively engaging with the text. It promotes deeper understanding and comprehension.

### **How to Practice Active Reading:**

To practice active reading, follow these steps:

1. Preview: Skim the text to gain an overview.
2. Question: Generate questions to guide your reading.
3. Annotate: Make notes, underline, or highlight important information.
4. Summarize: Condense the main ideas into your own words.

### **Forms of Active Reading:**

- **SQ3R:** Survey, Question, Read, Recite, Review
- **RERELL:** Read, Record, Elaborate, Rehearse, Evaluate, Link, Look Back
- **PACT:** Predict, Ask, Confirm, Transform

### **Reading as a Skill**

Reading is a complex skill that requires a combination of cognitive abilities. The "big five" reading skills include: phonemic awareness, phonics, fluency, vocabulary, and comprehension.

### **Improving Reading Skills:**

To improve your reading skills, consider:

- Reading regularly
- Engaging with different text genres
- Using online tools and resources
- Seeking help from teachers or tutors

### **Importance of Reading Skills:**

Reading is crucial for:

- Expanding knowledge
- Developing critical thinking
- Enhancing communication skills
- Increasing job opportunities

- Personal growth and enjoyment

### **Teaching Reading Skills:**

Effective reading instruction involves:

- Explicit instruction of reading skills
- Providing opportunities for students to practice
- Assessing student progress
- Using engaging and age-appropriate materials

### **Characteristics of Active Reading:**

- Active reading involves engaging with the text
- It is a process that requires effort and concentration
- It promotes deeper understanding and retention
- It is an effective strategy for improving reading skills
