Supposedly Fun Things You'll Never Do Again**

Definition:

A supposedly fun thing you'll never do again is an activity that was advertised or expected to be enjoyable but turned out to be disappointing or unpleasant.

Duration of a Supposedly Fun Thing You'll Never Do Again:

The duration of such an activity can vary greatly depending on the specific experience. It could be a short-lived event that takes only a few minutes or hours, or it could be an ongoing commitment that has persisted for a longer period of time.

David Foster Wallace's Literary Works

"E Unibus Pluram" (1996):

- An essay exploring themes of language, identity, and belonging in American society.

"Shipping Out" (1992):

- A semi-autobiographical short story about a young man's experiences during a Caribbean cruise.

"Consider the Lobster" (2005):

- A non-fiction book containing essays on various topics, including:
 - Morality and language
 - The ethics of eating animals
 - The nature of consciousness
 - The importance of empathy

"E Unibus Pluram" Meaning:

"E unibus pluram" is a Latin phrase meaning "Out of many, one." It is often used to describe the United States as a nation formed from a diverse population.

David Foster Wallace's Significance

David Foster Wallace is widely regarded as one of the most influential American writers of the late 20th and early 21st centuries. His work is known for its complex prose, incisive social commentary, and exploration of existential themes.

David Foster Wallace's Death

Wallace committed suicide in 2008 at the age of 46. His death was a shock to the literary community and sparked a national conversation about mental health and the pressures faced by creative individuals.

David Foster Wallace's Religious Beliefs

Wallace's religious beliefs are a matter of some debate. He has been described as both an atheist and a spiritual seeker. In his writings, he often explored religious themes such as the need for meaning and the nature of suffering.

Icon of the Seas Ship Details

Size Concerns:

The Icon of the Seas is one of the largest cruise ships ever built, raising concerns about its potential impact on the environment and the experience of passengers.

Power Loss Incident:

In March 2023, the Icon of the Seas lost power while on a trial cruise, leaving passengers stranded for several hours. The cause of the incident is still under investigation.

David Foster Wallace's Famous Quote:

One of David Foster Wallace's most famous quotes is: "Every love story is a ghost story." This quote underscores his belief that even in the most intimate relationships, there is always a sense of loss and longing.
