### **The Emperor's New Clothes: A Lesson in Truth and Deception**

**Question 1: What is the story of "The Emperor's New Clothes"? Answer:** "The Emperor's New Clothes" is a well-known fairy tale about an emperor who is tricked by two swindlers into believing that they have woven him a magnificent new suit of clothes that is invisible to anyone who is stupid or incompetent.

**Question 2: Why did the emperor believe the swindlers? Answer:** The emperor was vain and eager to appear intelligent. He also feared that he might be seen as foolish if he could not see the invisible clothes.

**Question 3: Who was the first person to speak out about the emperor's nakedness? Answer:** A young child, who had no fear of authority or social conventions, shouted out, "The emperor has no clothes!"

**Question 4: How did the emperor react to the child's revelation? Answer:** Initially, the emperor was ashamed and embarrassed. However, he quickly recovered and publicly praised the child for his honesty.

**Question 5: What is the moral of the story? Answer:** The moral of the story is that it is important to speak the truth, even if it is unpopular or inconvenient. It is also important to value honesty and intelligence over superficial appearances.

**What do we learn in Chapter 1 of The Great Gatsby?** At the dinner party, he meets Tom and Daisy's friend, Jordan Baker, who introduces readers to Jay Gatsby, who, as it turns out, is Nick's wealthy neighbor. In the first chapter of this novel, readers are introduced to many of the novel's themes, such as old vs. new money, racism, cultural superiority, and morality.

**What are some questions for chapter 1 in The Great Gatsby?**

**What kind of person is Daisy in The Great Gatsby chapter 1?** She is beautiful and charming, but also fickle, shallow, bored, and sardonic. Nick characterizes her as a careless person who smashes things up and then retreats behind her money.

**Do you trust Nick and his interpretation of events?** We call these narrators, or any narrator whose words can largely not be trusted, "unreliable narrators." Nick Carraway is not a classically unreliable narrator, because Fitzgerald gives no indications that Nick is lying to the reader or that his version of events directly contradicts anyone else's.

**Why does Nick like Gatsby Chapter 1?** Nick states that he has disdain for all that Gatsby represented, yet he does not pass judgment on him. He describes Gatsby as a person with a "gorgeous" persona and a seemingly endless sense of optimism. Nick thinks of him as someone who was defeated by the "foul dust" that destroyed his aspirations.

**What is the conflict in Chapter 1 of The Great Gatsby?** The first external conflict in The Great Gatsby is between Tom and Daisy Buchanan. Nick Carraway learns about Tom's extramarital affair in Chapter 1.

**Why did Daisy marry Tom?** Why did Daisy marry Tom? Even though she was still in love with Gatsby, Daisy most likely married Tom because she knew he could provide her with more material comforts. In Chapter 4 Jordan recounts how, the day before the wedding, she found Daisy drunk, sobbing, and clutching a letter.

**What happens to Nick Carraway in Chapter 1?** After graduating from Yale, and fighting in WWI, Nick decides to become a bond trader and moves near NYC. Nick rents a house in West Egg, a Long Island suburb that is less fashionable than East Egg, which lies across the Long Island Sound. His tiny, cheap bungalow is next to Gatsby's enormous, tacky mansion.

**Why doesn't Nick Judge Gatsby harshly in chapter 1?** Why doesn't Nick judge Gatsby harshly? Nick is in love with Gatsby. Gatsby embodies everything that Nick admires about the human spirit.

**Is Nick in love with Gatsby?** This is at the very end of the novel. Of the late Gatsby, Tom says, "That fellow had it coming to him. He threw dust in your eyes just like he did in Daisy's...." And that's why it matters that Nick is gay and in love with Gatsby: because Tom's assessment is spot-on, but Nick will never admit it.

**Did Daisy actually love Gatsby?** Angry, he has the entire group travel to the Plaza Hotel in New York City. There, he confronts Gatsby, leading to an altercation between the two. During their argument, Gatsby tells Tom that Daisy doesn't, and has never loved him; instead, she loves Gatsby.

**Was Daisy a gold digger?** Yet Daisy isn't just a shallow gold digger. She's more tragic: a loving woman who has been corrupted by greed. She chooses the comfort and security of money over real love, but she does so knowingly.

**How is Nick unreliable in Chapter 1?** In many ways, Nick is an unreliable narrator: he's dishonest about his own shortcomings (downplaying his affairs with other women, as well as his alcohol use), and he doesn't tell us everything he knows about the characters upfront (for example, he waits until Chapter 6 to tell us the truth about Gatsby's origins, even ...

**What does Nick Carraway symbolize?** What does Nick Carraway symbolize? Nick symbolizes the outsider's perspective of the way things were in the 1920s. He is not as wealthy as the other characters in the novel and thus recognizes how morally corrupt they are.

**Why does Gatsby recognize Nick?** Nick encounters Jordan Baker at the party and they meet Gatsby himself, an old and surprisingly young man who recognizes Nick

from their same division in the Great War. From their brief meetings and casual encounters at that time, Gatsby became (and still is) deeply in love with Daisy.

**What lesson do you learn from Great Gatsby?** The moral of The Great Gatsby is that the American Dream is ultimately unattainable. Jay Gatsby had attained great wealth and status as a socialite; however, Gatsby's dream was to have a future with his one true love, Daisy.

**What is an important quote from Chapter 1 of The Great Gatsby?** The Great Gatsby Chapter 1 In my younger and more vulnerable years my father gave me some advice that I've been turning over in my mind ever since. 'Whenever you feel like criticizing any one,' he told me, 'just remember that all the people in this world haven't had the advantages that you've had.'

**What memorable moment happened in Chapter 1 of The Great Gatsby?** A major event that happens in chapter 1 of the Great Gatsby is that Nick Carraway relocated to West Egg on Staten Island from the Midwest. Other important events include: Nick meets Jordan Baker and meets Gatsby during a dinner party held at the house of Tom and Daisy Buchanan.

**What is the tone of chapter 1 in The Great Gatsby?** In these opening chapters, the tone remains coolly bemused by the excesses and romantic entanglements of others. As the book proceeds, and Nick becomes friendly with Gatsby, he gets drawn into the love triangle between Tom, Daisy, and Gatsby, and the tone becomes both more emotional and more melancholy.
