**What are the basics of pencil drawing?**

**What is a pen and wash drawing technique?** Line and Wash (often also called pen and wash) technique is basically a process of drawing lines and then applying

some colour to the piece. Some people do this technique by applying the colour first then applying the lines (which often gives a looser feel to a piece).

**What is drawing with ink called?** pen drawing, artwork executed wholly or in part with pen and ink, usually on paper. Pen drawing is fundamentally a linear method of making images.

**How to draw well with a pen?** Experiment with holding your pen in different ways to create a wider variety of line. Gripping the pen as if you were writing will provide control and suits short, consistent marks. Meanwhile, a looser pinch of the barrel further from the tip reduces control and creates a more gestural and varied mark.

**How do you draw perfectly with a pencil?**

**What is the easiest thing to sketch for beginners?**

**How do you start pencil sketching?** Take your pencil and practice drawing a few straight and curved lines, long ones and short ones. Don't worry about doing this right or wrong, it's just a warm up. Then draw a few round shapes like circles and ellipses, and try out loose shapes like lying eights. Vary the size and also vary the pressure of your pen.

**How do you sketch perfectly?**
