**Why did Greg's mom force him to call Rachel?** At the time he hardly knows Rachel, but his parents give him a very awkward hug. This hug as a family shows the concern for Greg and his problems. And the fact that his mother forces him to go and talk to her, isn't because of Rachel, it is because she wants him to go be social and kind.

**Does me Earl and the dying girl have a happy ending?** Unlike *The Fault in Our Stars*, there's no happy ending in *Me and Earl and the Dying Girl*; Greg and Rachel do not fall hopelessly in love. A fun writing exercise would be for students to unwrite the happy ending of other famous stories in favor of something more realistic or even humorous.

**Is me Earl and the dying girl sad?** In lesser hands, it's just another movie in a long line of melodramatic tearjerkers: the kind of movie that makes you cry but doesn't really change your life. **What is the oldest book to be banned?** The book in question is Thomas Morton's New English Canaan or New Canaan, published in Amsterdam in 1637, and I was pleased to discover that the Bell Library has a copy – one of about 25 copies that have survived.

**What is the theme of Me and Earl and the Dying Girl?** The book addresses serious themes, ranging from low self esteem to dealing with death as a teenager, but it is still rife with humor. The awkward, humoring and self-aware tone helped the story feel down-to-earth and tasteful, which was much preferred over the heavy-handed, romanticized melodrama I expected.

**What was supposed to happen on my name is Earl?** The basic idea of the ending was that while he was stuck on a really hard list item he was going to start to get frustrated that he was never going to finish it. Then he runs into someone who had a list of their own and Earl was on it. They needed to make up for something bad they had done to Earl.

**Is me Earl and the dying girl sad?** In lesser hands, it's just another movie in a long line of melodramatic tearjerkers: the kind of movie that makes you cry but doesn't really change your life. The kind of movie that makes you cry in a safe way. Me and Earl and the Dying Girl does not make you cry in a safe way.
