Smart Choice 2 Workbook: Comprehensive Answer Key

Question 1:

Instructions: Circle the correct answer. Which of the following is a renewable resource?

Answer: Sun

Question 2:

Instructions: Fill in the blank. The process by which plants use sunlight to produce food is called ____.

Answer: Photosynthesis

Question 3:

Instructions: True or False? The Earth's atmosphere is made up of 78% oxygen.

Answer: False

Paragraph 4:

Question 4:

Instructions: List three examples of animals that live in the taiga biome.

Answer:

- Moose
- Wolverines
- Arctic foxes

Paragraph 5:

Question 5:

Instructions: Explain how the use of fossil fuels contributes to climate change.

Answer: Fossil fuels release greenhouse gases into the atmosphere, trapping heat and leading to global warming. The burning of coal, oil, and gas releases carbon dioxide, methane, and other gases that contribute to the greenhouse effect.

Thomas Sankara's Burkina Faso Revolution: Questions and Answers

1. Who was Thomas Sankara?

Thomas Sankara was a military officer and revolutionary leader who became President of Burkina Faso in 1983. He was known for his anti-imperialist views, his commitment to social justice, and his efforts to promote economic independence.

2. What were the goals of the Burkina Faso Revolution?

Under Sankara's leadership, the Burkina Faso Revolution aimed to:

- Topple the neocolonial regime
- Eliminate corruption and social inequality
- Promote self-reliance and economic development
- Oppose foreign intervention and exploitation

3. What were some of the key policies of the revolution?

Sankara implemented several radical policies, including:

- Nationalizing key industries
- Redistributing land to the peasantry

- Promoting literacy and education
- Banning female genital mutilation
- Establishing people's tribunals to prosecute corrupt officials

4. What were the challenges facing the revolution?

The revolution faced numerous challenges, including:

- Economic instability due to global recession
- Internal opposition from conservative elements
- External pressure from neighboring states and Western powers

5. What was the outcome of the revolution?

In October 1987, Sankara was assassinated in a coup led by Blaise Compaoré. The revolution was effectively brought to an end, and many of Sankara's reforms were reversed. However, his legacy continues to inspire activists and revolutionaries around the world.

The Ethnographic Interview: A Q&A with James P. Spradley

The ethnographic interview is a qualitative research method that involves interviewing people in their natural settings to gain insights into their culture and way of life. It is a key method in anthropology and other social sciences, and has been used to study a wide range of topics, from the everyday lives of urban dwellers to the beliefs and practices of religious communities.

What is the ethnographic interview?

The ethnographic interview is a semi-structured interview that is conducted in a natural setting and focuses on the lived experiences of the interviewee. The interviewer typically asks open-ended questions that allow the interviewee to share their thoughts, feelings, and experiences in their own words. The interviewer also observes the interviewee's nonverbal behavior and takes notes on the context of the interview.

What are the goals of the ethnographic interview?

The ethnographic interview has three main goals:

1. To understand the interviewee's culture and way of life.
2. To gain insights into the interviewee's thoughts, feelings, and experiences.
3. To document the interviewee's life story.

How is the ethnographic interview conducted?

The ethnographic interview is typically conducted in a one-on-one setting, but can also be conducted in a group setting. The interviewer typically begins by building rapport with the interviewee and explaining the purpose of the interview. The interviewer then asks open-ended questions that allow the interviewee to share their thoughts, feelings, and experiences in their own words. The interviewer also observes the interviewee's nonverbal behavior and takes notes on the context of the interview.

What are the benefits of the ethnographic interview?

The ethnographic interview has several benefits, including:

1. It allows the researcher to gain insights into the culture and way of life of the interviewee.
2. It allows the researcher to gain insights into the interviewee's thoughts, feelings, and experiences.
3. It allows the researcher to document the interviewee's life story.
4. It can be used to study a wide range of topics.
5. It is relatively inexpensive to conduct.

What are the challenges of the ethnographic interview?

The ethnographic interview also has some challenges, including:

1. It can be time-consuming to conduct.
2. It can be difficult to gain access to the interviewee.
3. The interviewee may not be willing to share their thoughts, feelings, and experiences.
4. The interviewer may bias the interview.

Conclusion

The ethnographic interview is a valuable qualitative research method that can be used to gain insights into the culture and way of life of a particular group of people. It is a flexible method that can be used to study a wide range of topics, and it can be conducted relatively inexpensively. However, it is important to be aware of the challenges of the ethnographic interview and to take steps to minimize bias.

Transformation Magazine: Unlocking Personal and Organizational Growth

What is Transformation Magazine?

Transformation Magazine is a digital and print publication that explores the transformative journeys of individuals and organizations. It features inspiring stories, practical insights, and thought-provoking interviews that empower readers to embrace change and achieve their full potential.

How can Transformation Magazine help me?

Transformation Magazine provides a platform for learning and connection. Through its articles, workshops, and online community, it offers tools and support for:

- Cultivating a growth mindset
- Navigating change effectively
- Developing leadership and communication skills
- Fostering innovation and creativity

What are the key features of Transformation Magazine?

- **Exclusive Interviews:** With thought leaders, change agents, and industry experts
- **Inspiring Stories:** Of individuals who have transformed their lives or organizations
- **Practical Insights:** On topics such as neuroscience, mindfulness, and emotional intelligence
- **Workshops and Events:** Online and in-person learning opportunities

- **Online Community:** A space to connect with like-minded individuals and share experiences

Who is Transformation Magazine for?

Transformation Magazine is for anyone seeking to grow, learn, and create positive change. It is a valuable resource for:

- Individuals: Seeking personal development, career advancement, or life transformation
- Leaders: Empowering their teams and organizations to adapt and thrive
- Change Agents: Facilitating transformational change in their communities

How can I access Transformation Magazine?

Transformation Magazine is available both digitally and in print. You can subscribe to the digital edition online or purchase physical copies from select retailers.
