1. Why is today so important?

Maxwell emphasizes that today is the only day we have complete control over. While we cannot change the past or predict the future, we can shape our present and create a meaningful life. By focusing on what we can do right now, we empower ourselves to make a positive impact.

2. How can we make today count?

Maxwell encourages us to set clear goals, prioritize our tasks, and take action. When we have a purpose and direction, we stay motivated and energized. By breaking down our goals into smaller, manageable steps, we make them less daunting and more achievable.
