What is the exhibitionary complex? The institutions comprising 'the exhibitionary complex', by contrast, were involved in the transfer of objects and bodies from the enclosed and private domains in which they had previously been displayed (but to a restricted public) into progressively more open and public arenas where, through the representations to ...

What is the meaning of exhibitionary? adjective. pertaining to or intended for exhibition or display.

What is the PSY complex explained? Traditional Debates In general terms, the studies examining the psy-complex seek to explain how psychology wins or loses a social place, how it constructs its objects, and how its “knowledges” and practices are strategically used to produce certain types of subjects.
