What did Arthur Danto mean by the end of art? It should be approached not as a monolithic notion but as a complex concept that combines three different senses: 1) the 'end of art' in the Hegelian sense: the conversion of art into philosophy, 2) the 'end of art' in the historiographical sense: as the end to the narratives of the history of art, and 3) the 'end of ...

What is the summary of After the End of Art? An insightful and entertaining exploration of art's most important aesthetic and philosophical issues conducted by an acute observer of contemporary art, After the End of Art argues that, with the eclipse of abstract expressionism, art deviated irrevocably from the narrative course that Vasari helped define for it in ...

Why is Arthur Danto important? Arthur is and will remain exemplary, as a philosopher and critic, because of the way he understood the intimate relationship between philosophy and art, and especially because of his insistence that the philosophy of art be calibrated to contemporary practice, and not just to Warhol's or Salle's work.

What is Danto's view on art? Danto's "institutional definition of art" defines art as whatever art schools, museums, and artists consider art, regardless of further formal definition. Danto wrote on this subject in several of his works and a detailed treatment is to be found in Transfiguration of the Commonplace.

What is the artworld by Arthur Danto about? Danto's main argument in this essay is that in the contemporary situation, only the community of art professionals associated with a number of institutions can distinguish between art and non-art.

Aesthetics, he argues, has become a completely autonomous area of knowledge.

What is the institutional theory of art Danto? Danto's claim to fame within institutional art theory is his introduction to the concept of the "artworld". In his 1964 essay "The Artworld," he posited that something becomes art when the artworld has a theory or a narrative that contextualizes an object as art.
