

# Apple and rain

## Download Complete File

**What is the story of Apple and Rain?** Apple's mother left when she was a toddler, leaving her with her grandmother. Eleven years later she returns with another daughter, Rain, and turns Apple's world upside down. Apple and Rain is beautifully written and the characters are believable.

**Is Apple and Rain a good book?** Apple and Rain is a gorgeous little novel about (among other things) family, love and poetry. I found it incredibly moving and adorable. Apple is a great character and her “journey” throughout the book was fantastic to read.

**What age is appropriate for Apple and Rain?** Books for reluctant readers (12+)

**What is the theme of Apple and Rain?** This is a story about family, parenting, sisters, friendship, loyalty, and crushes, but it is really a story about understanding the complexities of family. Apple's mom left her with her Nana when Apple was just three years old.

**What is the significance of the rain in the story?** It is associated with life and growth regarding birth and rebirth. Christians use water for baptisms to symbolize spiritual death and resurrection. In other words, it is a clear symbol for spiritual births. And in literature, life is formed when rain appears; it suggests a spiritual birth as well.

**What is the symbolism of the apple in the story?** The unnamed fruit of Eden thus became an apple under the influence of the story of the golden apples in the Garden of Hesperides. As a result, the apple became a symbol for knowledge, immortality, temptation, the fall of man and sin.

**How old is Rain from Apple and Rain?** I had assumed that Apple and Rain was a YA book – but the protagonist is 13, and usually that dictates that the book be targeted to the 8-12 age range (since kids almost invariably 'read up', age-wise). Yet the book is very substantial – over 300 pages – and sometimes the 'voice' feels older.

**What happens in the book the rain?** Rain, tap water, even if droplets land on a person, kills them within minutes. Struggling to survive, Ruby finds herself in the . 27 percent of people left alive, terrified to go out in a country where it rains unpredictably. The book is consistently written in an extremely believable teen manner.

**What is the theme of the book The Rains?** From an author already well known for his best-selling young adult fiction, Gregg Hurwitz's latest novel is a masterful exploration of the best themes in classic science fiction dystopia: chaos, survival, and the dangers of human complacency.

**Is the rain appropriate for 13 year olds?** Interesting but not for children or teenagers After a brutal virus wipes out most of the population, two young siblings embark on a perilous search for safety. There are several sex and sensual scenes.

**What age can I give my child apple?** Sometime after the 2nd birthday, most typically developing toddlers will be ready for sections of raw apple, such as quartered apples and apple wedges. Large sections of apple can be more risky than a whole apple so wait until you observe the child to be ready.

**Can a 14 year old play heavy rain?** This game is not intended for children, parental guidance is strictly recommended. This title has: Too much violence.

**What is the main theme of after the Rain?** This evocative novel takes the reader through Chioma's life experience by exposing the themes of family secret, search for identity, and African futurism. It is only when Chioma embraces her heritage that she survives the traumatic exposure to her past and ancestors.

**What is the theme or main message of the rainy day?** Henry Wadsworth Longfellow's "Rainy Day" uses the themes of lost and renewed hope, youth and grief to show how much our past and future experiences affect our lives and how though

APPLE AND RAIN

we face multiple struggles in life we can overcome them.

**What is the main theme of the poem the Rain?** Fate and humanity The poem looks at human dramas, emotions and flaws by describing expressive scenes in films that "start with rain" and moves on to more profound ideas about human frailty and redemption. We all are on this "fatal watercourse" and as such are doomed from the beginning.
