**What happened to the lost continent of Atlantis?** After an ill-fated attempt to conquer "Ancient Athens," Atlantis falls out of favor with the deities and submerges into the Atlantic Ocean. Since Plato describes Athens as resembling his ideal state in the Republic, the Atlantis story is meant to bear witness to the superiority of his concept of a state.

**What is the mythical lost continent of Atlantis?** Mu is a lost continent introduced by Augustus Le Plongeon (1825–1908), who identified the "Land of Mu" with Atlantis.

**Where is the real Atlantis located?** The location of this mythical city remains a mystery despite many proposed sites. Numerous locations have been suggested for Atlantis but have yet to be confirmed. The most recent claim indicates that the submerged city may be located north of Cadiz, Spain, but this claim has not been substantiated.

**What is the lost continent found?** Zealandia is the eighth continent discovered and its existence provides scientists with insights into Earth's geological evolution and the formation of supercontinents.

**Does the Bible mention Atlantis?** While the Bible does not directly mention Atlantis, several biblical themes and passages echo the profound ideas associated with the rise and fall of great civilizations.

**What are Plato's 51 clues to Atlantis?** Plato's 51 clues included a location near the sea; a location outside the "Pillars of Heracles", which many believe to be Gibraltar; the presence of elephants; mountains to its north; a ringlike structure of the city; and

most importantly it had to be within roughly 5000km from Athens.

**What volcano is linked to the lost continent of Atlantis?** Following the 1620 BC eruption, much of the previous island of Santorini was destroyed or submerged; this event may have been the inspiration for the legend of the "lost continent" of Atlantis.

**Is the lost city of Atlantis still lost?** Past experts believed Plato's account was based on legend. Today, though, some think that Atlantis may have been a real place. However, they still don't know exactly where it was.

**What happened to Atlantis in the Lost Empire?** According to Plato, a Great Flood sank the entire city into the Atlantic Ocean "in a single day and night of misfortune." It is the main setting for the film Atlantis: The Lost Empire.

**What destroyed the lost city of Atlantis?** Around 360 B.C., Plato wrote that Atlantis was a great and wonderful empire destroyed some 11,000 years before by earthquakes and floods during a 24-hour period.

**How did the lost city of Atlantis fall?** As punishment, he says, the gods sent "one terrible night of fire and earthquakes" that caused Atlantis to sink into the sea.
