Early in its fight for equality, the NAACP used the federal courts to challenge disenfranchisement and residential segregation.

How did Nationalism increase tensions among European nations? In the late 19th and early 20th centuries, nationalism was on the rise across Europe, with many nations seeking to assert their independence and power. This led to competition and tensions between nations, as each sought to expand their territory and influence.

How did the Triple Alliance cause tension in Europe? The alliance system caused tension in Europe for several reasons. Firstly, by setting up two rival teams in the Triple Entente of 1907 (Britain, France, and Russia) and the Triple Alliance of 1882 (Germany, Austria-Hungary, and Italy) tension began.

How did the assassination in Sarajevo cause tension in Europe? The assassination of its heir presumptive gave Austria-Hungary the opportunity to settle some old scores and declare war on Serbia, which, in turn, precipitated a political crisis between the major European powers, and this, in turn, triggered a chain of events which led directly to the outbreak of the First World War.

Why did the assassination lead to fighting? The political objective of the assassination was to free Bosnia and Herzegovina of Austria-Hungarian rule and establish a common South Slav ("Yugoslav") state. The assassination precipitated the July Crisis which led to Austria-Hungary declaring war on Serbia and the start of World War I.

What was founded in 1909 this is the nation's oldest civil rights organization dedicated to fighting injustices towards African American? The NAACP or National Association for the Advancement of Colored People was established in 1909 and is America's oldest and largest civil rights organization. It was formed in New York City by white and Black activists, partially in response to the ongoing violence against Black Americans around the country.

Who ended segregation? Despite Kennedy's assassination in November of 1963, his proposal culminated in the Civil Rights Act of 1964. President Lyndon Johnson signed it into law just a few hours after it was passed by Congress on July 2, 1964. The act outlawed segregation in businesses such as theaters, restaurants, and hotels.

What organization formed in 1909 to seek equal rights for African Americans?

The National Association for the Advancement of Colored People (NAACP) is an American civil rights organization formed in 1909 as an interracial endeavor to advance justice for African Americans by a group including W. E. B. Du Bois, Mary White Ovington, Moorfield Storey, Ida B. Wells, Lillian Wald, and Henry Moskowitz ...

How did Nationalism increase tensions among European nations? It led to increased competition over colonies. How did Imperialism increase tensions among European nations? It led to an arms race.

How did nationalism lead to potential conflict among the nations of Europe?

European leaders felt that they had the right to rule other lands and peoples. This feeling of superiority gave rise to more conquest and competition. Nationalism also led to conflict within empires. Multinational territories such as the Ottoman Empire and Austria-Hungary combined many ethnic groups under one rule.

How did alliances lead to WW1?

How did the alliance system cause WW1? Both the Allied and the Central Powers were very concerned by the perceived threat by the other side. As one country grew stronger, so did its alliance. This, in turn, caused concern among enemies and their perceived threat.

How were empires and colonialism continuities connecting the two world wars?

Between the two world wars, Western and Japanese imperial states predominantly maintained control over colonial holdings; in some cases, they gained additional territories through conquest or treaty settlement and in other cases faced anti-imperial resistance.

What did the increasing rivalry among European nations stem from?

European Expansionism The expansion of European nations as empires (also known as imperialism) can be seen as a key cause of World War I, because as countries like Britain and France expanded their empires, it resulted in increased tensions among European countries.

Why did European nations form alliances?

The Western European countries were willing to consider a collective security solution. In response to increasing

tensions and security concerns, representatives of several countries of Western Europe gathered together to create a military alliance.

Why did increasing militarism lead the European powers to form alliances?

Answer and Explanation: An increasing reliance on militarism led to the system of alliances between European countries, because there was an increasing belief that Europe was heading toward a devastating war, and so alliances were necessary to protect individual countries' interests.

How did a wrong turn start the Great War? Archduke Ferdinand's assassination caused the outbreak of World War I, but what caused the assassination itself? It may have been something as simple as a wrong turn.

How did militarism cause the war in ww1? Militarism Great Britain and Germany both greatly increased their navies in this time period. Further, in Germany and Russia particularly, the military establishment began to have a greater influence on public policy. This increase in militarism helped push the countries involved into war.

Who got killed to start WW1? Two shots in Sarajevo ignited the fires of war and drew Europe toward World War I. Just hours after narrowly escaping an assassin's bomb, Archduke Franz Ferdinand, the heir to Austro-Hungarian throne and his wife, the Duchess of Hohenberg, are killed by Gavrilo Princip.

What were the tensions in Europe before ww1 most increased by? Tensions in Europe before World War I were most increased by secret alliances. What were the secret alliances? Secret alliances were agreements made between countries to support each other in times of war. These agreements were secret because the countries didn't want others to know about them.

What was the outcome of the events that took place in Sarajevo? Archduke Franz Ferdinand of Austria and his wife Sophie are shot to death by a Bosnian Serb nationalist during an official visit to the Bosnian capital of Sarajevo on June 28, 1914. The killings sparked a chain of events that led to the outbreak of World War I by early August.

How did countries react to the assassination of Franz Ferdinand? First, Austria-Hungary gained German support for punitive action against Serbia. It then sent Serbia an ultimatum, worded in a way that made acceptance unlikely. Serbia proposed arbitration to resolve the dispute, but Austria-Hungary instead declared war on July 28, 1914, exactly a month after Ferdinand's death.

Why does Hale question Proctor in Act 2? Hale visits the Proctors because he wants to speak with everyone whose name has been mentioned in connection with witchcraft. He has just visited Rebecca Nurse. Hale proceeds to ask questions about the Christian character of the Proctor home.

What are the main points of Act 2 of The Crucible? What main events happened in Act 2 of The Crucible? The Proctors' maid, Mary, makes a poppet in court. Later at home, Abigail pretends to have been stabbed in the stomach with a needle. When the court clerk finds Elizabeth Proctor with Mary's poppet, he accuses her of harming Abigail by using the poppet for witchcraft.

What is John Proctor's allusion as he tells Hale? Proctor compares Reverend Hale to Pontius Pilate, the Roman leader who did not stop Jesus' crucifixion though he knew he was innocent. Similarly, Reverend Hale knows the trials are unfounded, but he does not speak out against them until it is too late.

What happens in The Crucible Act 2 Part 1? Proctor learns that four magistrates have been named to the General Court and the Deputy Governor of the Province is

serving as the judge. The court has jailed fourteen people for witchcraft. Elizabeth tells Proctor that he must go to Salem and reveal that Abigail is a fake.

What three things does Hale question the proctors about? Several issues disturb Hale and make him suspicious of the Proctors. These include Proctor's poor church attendance, the fact that one of the Proctor children remains unbaptized, and Proctor's inability to recite all of the Ten Commandments.

What does Hale ask Goody Proctor to do? Reverend Hale asks Proctor to recite the Ten Commandments. He wants to see if Proctor is as faithful to the Puritans belief/way of life as he says he is (Hale is testing him, seeing if he really is a good Christian man, etc.).

What is the main conflict in Act 2 of The Crucible? In Act 2 of The Crucible, by Arthur Miller, accusations of witchcraft spread through the town of Salem. Townspeople accuse their neighbors of witchcraft with little or no evidence, and most of the Townspeople believe all the accusations are true.

Why is Act 2 Scene 2 important in The Crucible? Abigail's scheme becomes apparent to Elizabeth and Proctor within Scene 2. This is central to the play because, up until this point, only the audience knows what is really happening. Now two of the characters accurately interpret Abigail's actions and her overall objective.

What are the main points of Act 2?

Who is the antagonist in The Crucible Act 2? John Proctor is the protagonist and Abigail Williams is the antagonist in "The Crucible." They are the most important characters. Other important characters include Elizabeth Proctor, Reverend Parris, Reverend Hale, Rebecca Nurse, Ann Putnam, and Betty Parris.

Why are only 2/3 of the Proctor children baptized? John's lack of faith in Reverend Parris' intentions keeps the Proctors from having their children baptized because John doesn't see Parris as a religious man.

What does John eventually reveal to Hale? In The Crucible, John Proctor tells the Reverend Hale that the girls' "sickness had naught to do with witchcraft." The Reverend Hale demands to know who told him this, and John reveals that Abigail Williams told him "they were discovered by Mr. Parris sporting in the woods ... were

startled, and took sick."

Who is accused in Act 2 of The Crucible? Cheever spies the doll Mary Warren gave her. He finds a needle inside it. Cheever relates that Abigail had a fit at dinner in Parris's house that evening. Parris found a needle in her abdomen, and Abigail accused Elizabeth of witchcraft.

What is an example of symbolism in Act 2 of The Crucible? The poppet (rag doll) What does it represent? The poppet symbolizes the false accusations of witchcraft and the power of the courts to persecute innocent people.

What happens in Act 2 Scene 1 summary? Act 2 Scene 1 Romeo climbs over the orchard wall into the Capulets' garden. Mercutio and Benvolio try to find him but soon give up when he doesn't answer saying 'Go, then; for 'tis in vain / To seek him here that means not to be found'.

Why does Hale become suspicious of the proctors? He is suspicious of them because they do not regularly attend church in the village, they have not baptized their youngest son yet, and John Proctor cannot recite all of the Ten Commandments. According to Hale's books, witches are characterized by a distinct lack of biblical knowledge.

Why does Hale feel the need to visit and question the proctors? Answer and Explanation: In The Crucible, Reverend Hale visits the Proctors because Elizabeth is mentioned in court and he wants to find out more about those who are accused. When he arrives at the Proctors, Hale says he has business with them.

What are the differences between Proctor and Hale? During the course of the play John Hale goes from a confident and righteous man to preaching deceit rather than truth. John Proctor is a farmer in Salem, who is consumed by the guilt of his adultery. Initially, he is uncertain about his faith, but ultimately finds his goodness at the end of the play.

Why does Hale want John to confess? Parris, and Mr. Hale all try to get John Proctor to confess so that he can be spared the death penalty. Although he initially consents to confessing, John Proctor ends up tearing up his confession. Danforth has Proctor hanged.

Why did Hale come to Proctor's House in Act 2? Explanation: In Act 2 of *The Crucible* by Arthur Miller, Reverend Hale visits Proctor's house in order to investigate the possibility of witchcraft. As an expert on witchcraft, Hale is summoned to Salem to examine Reverend Parris's daughter Betty, who fell ill after being discovered dancing in the forest.

What does Hale want Elizabeth to? Hale summons Elizabeth. He asks her to convince Proctor to admit his guilt so that the court will not hang him.

What happened in Act 2 of *Crucible*? Act II is when the full extent of the hysteria in Salem becomes apparent. Mary says that there are now not 14 but 39 people who have been thrown in jail on suspicion of witchcraft. The hysteria has been heightened by several confessions which seem to confirm the existence of an evil witchy plot.

Who gave Elizabeth the doll? Answer and Explanation: Mary gives Elizabeth a poppet, which is a small doll, that she made while she was sitting in court. This poppet is significant because Mary left behind the needle she was using inside the doll.

Which commandment does John forget? John is challenged to recite the Ten Commandments, which he does. However, he failed to mention the commandment "Thou shalt not commit adultery."

Why will Goody Osburn be hanged? Goody Osburn is being hanged because she refused to confess that she was a witch and that, when mumbling after Mary Warren turned her away for food or cider and claiming she was just speaking the commandments, she couldn't say any of them when asked to (which is a sign of witchcraft) and also made Mary Warren feel sick ...

Who pulls a needle out of Abigail's side? Cheever relates that Abigail had a fit at dinner in Parris's house that evening. Parris found a needle in her abdomen, and Abigail accused Elizabeth of witchcraft. Elizabeth brings Mary downstairs. Mary informs the inquisitors that she made the doll while in court and stuck the needle in it herself.

Who confessed to witchcraft in The Crucible Act 2? Mary says that now thirty-nine are in jail: Goody Osburn has been convicted and will hang, while Sarah Good confessed to witchcraft and thereby saved herself.

What does Hale ask John to do in the crucible Act 2? What does Reverend Hale ask Proctor to do? He asked him to recite the Ten Commandments.

What two things does Hale criticize Proctor for? Hale criticizes Proctor for two things. What are these things? Proctor expresses his grievances against Reverend Hale and elaborates on his greedy disposition. The second thing that Reverend Hale criticizes John Proctor for concerns the fact that one of his children is not baptized.

What does Hale ask Elizabeth Proctor to do? Hale summons Elizabeth. He asks her to convince Proctor to admit his guilt so that the court will not hang him.

Why does Proctor call Hale a coward at the end of Act 2? John promises to bring her back soon and calls Hale a coward for being too passive about the situation. Hale counsels patience and reason so that they can get to the bottom of what's really happening. Everyone exits the house except Mary and John Proctor.

Why does Hale want John to confess? Parris, and Mr. Hale all try to get John Proctor to confess so that he can be spared the death penalty. Although he initially consents to confessing, John Proctor ends up tearing up his confession. Danforth has Proctor hanged.

Does Hale lie in the crucible? Once he realizes that Abigail is a fraud, Hale devotes himself to attempting to persuade the other prisoners to confess so that they may avoid execution — using lies to foil lies. What he does not realize is that the lies he is urging would only reinforce the slanders the court has already committed.

Why hasn't John told the court what he knows Act 2? John hasn't told the court what he knows because he is reluctant to expose his affair with Abigail. Elizabeth attributes his silence to his fear of damaging his reputation.

Why does Hale visit the proctors in Act 2? Hale visits the Proctors because he wants to speak with everyone whose name has been mentioned in connection with witchcraft. He has just visited Rebecca Nurse. Hale proceeds to ask questions about

the Christian character of the Proctor home.

What does John Proctor reveal to Reverend Hale Act 2? In *The Crucible*, John Proctor tells the Reverend Hale that the girls' "sickness had naught to do with witchcraft." The Reverend Hale demands to know who told him this, and John reveals that Abigail Williams told him "they were discovered by Mr. Parris sporting in the woods ... were startled, and took sick."

What is the theme of Act 2 in *The Crucible*? Key Themes Explored in Act 2
Deception and secrecy: Act 2 of *The Crucible* delves into the theme of deception and secrecy, as characters engage in clandestine affairs and hidden motives. John Proctor hides his affair with Abigail Williams, while Elizabeth keeps her suspicions about John's fidelity to herself.

Does Elizabeth forgive Proctor? Elizabeth finds it hard to excuse John for his sins, but loves him nonetheless and ultimately forgives him in the end. Abigail Williams, the young woman in the affair with John and the main instigator in *The Crucible*, had been working in the Proctor house as a servant when the affair occurred.

When urged by Hale to persuade her husband to confess? (a) When urged by Hale to persuade her husband to confess, Elizabeth Proctor characterizes Hale's argument as a "lie" (Act 4, Scene 1). (b) Elizabeth means that she believes Hale's argument is dishonest, because she knows her husband is innocent.

Which commandment does John forget when Hale asks him to recite the Ten Commandments? Explanation: John is unable to name the commandment adultery when Hale asks him to recite the 10 commandments. It's ironic that he forgot this specific commandment because of his affair with Abigail.

Why is Proctor so mad at the end of Act II? Proctor becomes angry because he believes the court is condemning people without solid evidence. Mary Warren states that Elizabeth was accused, but she defended Elizabeth and the court dismissed the accusation. Elizabeth tells Proctor that Abigail wants to get rid of her.

What does Hale begin to doubt at the end of Act 2? In Act 2 of *The Crucible*, Reverend Hale begins to show signs that he doubts the legitimacy of the accusations of witchcraft, and even of the actions being taken by the court in Salem.

Why did Hale return to Salem? Answer and Explanation: Reverend Hale returns to Salem after losing control of the witch trial proceedings because he wants to help those accused of witchcraft. He advises them to make false confessions in order to avoid being executed.
