3. How Can We Implement NVC in the Workplace?

- Use "I" statements to express feelings ("I feel frustrated").
- Avoid generalizations and accusatory language ("You never listen").
- Focus on specific behaviors rather than personal attacks ("When you interrupt me, I feel unseen").
- Ask for what you need ("I would appreciate it if you could hear me out").

4. What are Some Common Communication Pitfalls?

- Using jargon or technical language that alienates colleagues.
- Ignoring or disregarding others' perspectives.
- Communicating passively or aggressively, leading to misunderstandings.
- Assuming we know what others are thinking or feeling.

5. How Can We Improve Our Communication Skills?

- Practice active listening by paying undivided attention to others.
- Ask clarifying questions to ensure understanding.
- Be mindful of your tone and body language.
- Seek feedback from colleagues and supervisors to identify areas for improvement.
