The Nature of Doctrine, Religion, and Theology in a Postliberal Age: 25th Anniversary Edition

Question: What is the primary focus of the book "The Nature of Doctrine, Religion, and Theology in a Postliberal Age"?

Answer: This book, now in its 25th anniversary edition, explores the tumultuous shifts in theological scholarship and religious practice in the late 20th century. It engages with the seminal contributions of thinkers such as George Lindbeck and Stanley Hauerwas, who challenged the modernist and Enlightenment assumptions that had long dominated religious discourse.

Question: How does the book define "postliberalism"?

Answer: Postliberalism is a theological movement that emerged in the 1980s and 1990s. It rejected the liberal and neoorthodox approaches to theology, which it argued were too rationalistic and individualistic. Instead, postliberalism emphasizes the social, communal, and narrative aspects of faith.

Question: What are some key themes in the book?

Answer: The book grapples with questions about the nature of doctrine, the relationship between religion and culture, and the role of theology in contemporary society. It challenges traditional notions of religious truth and authority and explores the ways in which religious beliefs and practices are shaped by social and historical contexts.

Question: How has the book influenced theological scholarship?

Answer: "The Nature of Doctrine, Religion, and Theology in a Postliberal Age" has become a classic text in theological education. It has inspired a generation of scholars to rethink their understanding of Christian doctrine and the role of religion in the world today.

Question: What are some of the new essays included in the 25th anniversary edition?

Answer: The 25th anniversary edition features new essays by leading theologians who reflect on the legacy of postliberalism and its ongoing relevance in the face of contemporary challenges. These essays address issues such as the impact of digital technology on religious practice and the rise of religious pluralism in the globalized world.
