Is the Douay-Rheims Bible accepted by the Catholic Church? Although the Jerusalem Bible, New American Bible Revised Edition, Revised Standard Version Catholic Edition, and New Revised Standard Version Catholic Edition are the most commonly used Bibles in English-speaking Catholic churches, the Challoner revision

of the Douay–Rheims often remains the Bible of choice of more ...

Is Douay-Rheims older than KJV? King James Not the First The Douay-Rheims provides a particularly telling counterexample. It was completed in 1609, making it older than the KJV, which was not published until 1611. The fact that the Rheims New Testament was published in 1582 meant that it appeared almost thirty years before the KJV New Testament.

Is Douay-Rheims most accurate? Translated between the years 1582 and 1610 and revised by Bishop Richard Challoner, this is the most accurate English translation of the Bible available today.

Is Douay-Rheims a good translation? The Douay-Rheims Bible is a scrupulously faithful translation. It is a wooden translation into English of the Latin Vulgate Bible which St. Jerome (342-420) translated into Latin from the original languages.

Who wrote the Douay-Rheims Bible? The whole Douay-Rheims Bible was revised and diligently compared with the Latin Vulgate by Bishop Richard Challoner in 1749-1752 A.D. The notes included in the text (in italics) were written by Dr. Challoner.

What is the preferred Bible of the Catholic Church? We recommend staying away from translations with unconventional renderings, such as the TEV, and suggest using the Revised Standard Version–Catholic Edition. This is a Church-approved version of the RSV that has a few minor changes in the New Testament.

What is the difference between the King James Bible and the Douay-Rheims Bible? The Douay Rheims is a Literal Translation of the Latin Vulgate conferring other text i.e., the Greek, Hebrew, Syriac, etc. The KJV uses the Bishops Bible as a base and utilizes the Hebrew and Greek text that they had making modifications where they felt necessary. (This is according to the Translators themselves).

What are the two oldest Bibles? Along with Codex Alexandrinus and Codex Vaticanus, it is one of the earliest and most complete manuscripts of the Bible, and contains the oldest complete copy of the New Testament. It is a historical treasure, and using the study of comparative writing styles (palaeography), it has been dated to the mid-fourth century.

Is the Douay-Rheims Bible copyrighted? Unless otherwise noted, all scriptures are from the 1899 DOUAY-RHEIMS BIBLE, public domain. WHEN THE 1899 DOUAY-RHEIMS BIBLE (DRB) IS NOT THE PRIMARY VERSION USED, THE FOLLOWING STATEMENT SHOULD APPEAR ON THE COPYRIGHT PAGE: Scripture quotations marked (DRB) are taken from the 1899 DOUAY-RHEIMS BIBLE, public domain.
