What is the highest accepting dental school? The easiest dental schools to get into in the US, based on acceptance rates, are the University of Mississippi, the University of Minnesota, East Carolina School of Dental Medicine, the University of Puerto Rico, the University of Utah and the University of Detroit Mercy.

How much does the ADEA Explorer cost? Cost: \$25 for a one-year subscription.

What is the easiest dental school?

What is the best GPA for dental school? Even if they don't declare a minimum GPA or DAT score for their applicants, the best dental schools typically are home to students with an average GPA of ~3.6 to 3.8 or higher and a DAT score of ~20 to 22 or higher.

Which dental school has the lowest acceptance rate? Pomona, Calif. -based Western University of Health Sciences College of Dental Medicine has a 2.5 percent acceptance rate — the lowest among U.S. dental schools — according to academic consulting website BeMo.

What is the best dentistry school in the world?

How to get Adea Explorer? A one-year subscription to the ADEA Dental School Explorer is available for \$25. ADEA is also offering a bundled one-year subscription to the online tool plus a copy of the printed book for \$50 (plus shipping for the printed book), a \$15 savings. We wish you luck on your journey toward a career in oral health!

How much does the Weimar Institute cost?

What is the hardest field in dentistry? Oral and Maxillofacial Surgeons perform surgeries such as wisdom teeth extractions, corrective jaw surgeries, and treatment of oral and facial injuries. This branch often involves collaboration with other medical professionals and requires specialized training, making it one of the most challenging fields in dentistry.

What type of dentist gets paid the least? Depending on the difficulty of each specialization and the duration of studies, salaries will vary. Dental anesthesiology is the highest-paying specialty, followed orthodontics and dentofacial orthopedics. Periodontics was the lowest-compensated specialty.

Which dental specialty is the hardest to get into? Oral and maxillofacial surgery often ranks as the hardest due to its length of training, physical and emotional demands, and the complexity of the procedures.

Is 22 a good DAT score? The average score for acceptance is around 20 AA. Scores of 23+ AA are rare and exceptionally competitive. Some schools do have higher average DAT scores, so if you want to go to a specific school, I recommend getting a copy of the ADEA Guide to Dental Schools to find their average DAT scores and set that as your goal.

Is 19 a good DAT score? DAT results are reported as scale scores. Scale scores are neither raw scores (i.e., the number of questions answered correctly) nor percentiles. DAT scale scores range from 1 to 30. A scale score of 19 typically signifies average performance on a national basis.

What is the DAT score for NYU? The mean Total GPA of admitted students is 3.5; the mean Science GPA is 3.4. What are the average DAT scores of the admitted students? The mean score for the Academic Average, Total Science and Reading Comprehension sections are each 21. The mean score for Perceptual Ability is 20.

Is the MCAT or DAT harder? Yes, MCAT is much more complicated and more challenging than the DAT.
