Does Mr Darcy say you have bewitched me in the book? I first read this book my freshman year of college and I regret not reading it sooner in life because it made me appreciate a love that was untouched by modern culture and instead upheld morals and standards that are rare to find today. Why does Elizabeth refuse Mr. Darcy? Elizabeth in turn stuns Darcy by refusing his proposal, stating, "I had not known you a month before I felt that you were the last man in the world whom I could ever be prevailed on to marry." She condemns him for separating Jane and Bingley, for treating Wickham poorly, and for his arrogance and selfishness.

They must overcome the titular sins of pride and prejudice in order to fall in love and marry.

What is the meaning of the story *Pride and Prejudice*? There may be three themes, but the overall message of *Pride and Prejudice* is that first impressions can be wrong.
