TRI by Frances Echin: Full Text Q&A

What is TRI by Frances Echin?

TRI by Frances Echin is a book that provides comprehensive information on Temporary Restraining Orders (TROs). It includes guidance on obtaining, modifying, and enforcing TROs, as well as legal definitions, case summaries, and sample documents.

Who is Frances Echin?

Frances Echin is a nationally recognized legal expert on domestic violence and restraining orders. She has authored numerous books and articles on the topic, and has provided training to legal professionals across the country.

What is the purpose of a TRO?

A Temporary Restraining Order (TRO) is a court order that prohibits someone from doing something. In the context of domestic violence, TROs are often used to protect victims from further harm. They can order the abuser to stay away from the victim, refrain from contacting them, and surrender any weapons.

How do I obtain a TRO?

To obtain a TRO, you must file a petition with the court. The petition must include information about the abuse, such as the date, time, and location of the incident. You may also need to provide evidence, such as a police report or medical records.

What are the limitations of a TRO?

TROs are only temporary. They typically last for 10-14 days. If you need protection for a longer period of time, you may need to file for a permanent restraining order. TROs are also not foolproof. The abuser may violate the order, and you may need to take further legal action.
