Is Weebly free for teachers? Perfect for school districts on a budget, Weebly for Education is free for teachers and up to 40 students. Users can tap into advanced features, like HD video and audio, with a Pro account, currently priced at \$39.95 per year.

Does Weebly have a landing page? To make a landing page in Weebly, add a page to your site on the Pages tab and drag it to the top of the list of pages - this will make it the home page of the site. Next, click on page type drop-down and choose "Splash" or "Landing Page". Both of these page types are well suited for landing pages.

Is Weebly being discontinued? We have no plans to discontinue the Weebly website builder and we will maintain support through at least July 2025. If you are using the Square Online site builder, we will continue to support and provide regular feature updates of this product.

Is Weebly no longer free? When you create an account with Weebly, you can choose between a free plan or a paid plan, and all plans come with hosting. A free plan will have Square ads, and you won't be able to connect a custom domain. With higher-tiered paid plans, you won't have ads and you can connect your own domain or buy one.

Is Weebly a drag and drop website builder? Weebly's drag and drop website builder makes it easy to create a powerful, professional website without any technical skills. Over 40 million entrepreneurs and small businesses have already used Weebly to build their online presence with a website, blog or store.

How many pages can you have on a Weebly website? Weebly allows Basic users to create up to 6 pages and allows Premium users unlimited pages. For information on how to upgrade to Weebly Pro (\$10.49/month) and to get unlimited pages and other premium features, please see the following article: [Upgrade/Downgrade Your Weebly Plan](#).

How many websites are built on Weebly? Weebly was started in 2007 and currently powers millions of businesses on more than 50 million sites around the world.

What are the disadvantages of Weebly? Weebly places ads on free websites, and these cannot be removed unless you upgrade to a paid plan. Weebly also doesn't give you as much control over your website's design as some other site builders, such as Wix or Squarespace. Its lack of customization options and limited phone support may be a deal-breaker for some.

Why not use Weebly? Although Weebly does have its pros, there aren't many. Its designs are outdated and its customization potential is severely limited. To add to that, it isn't mobile responsive, and its marketing tools are lacking. The only points in Weebly's favor are its incredibly cheap prices and its ecommerce offering.

What company bought Weebly? Weebly was acquired by Square in 2018 and is now part of the Square suite of business tools.

Why is Wix better than Weebly? Weebly's rigid layout limitations make it more well-suited for beginners; most pros, or those who want to customize the look of their site, will find that Wix is the better option. Wix is also the better option for eCommerce sellers (despite the higher-priced plans) because of the fees involved with selling on Weebly.

Can Weebly be trusted? Weebly is “legit” – i.e., they are a well-established, safe, secure company that provides safe, secure, legitimate website builder services.

What happened to my Weebly website? As part of our merger with Square, we ask that you replace your Weebly account with a Square account. You'll use the Square account to sign in going forward, and all Weebly logos and branding will be replaced with Square branding.

Does Weebly exist anymore? Weebly was acquired by Square in 2018. In the time since, Square has built its own website builder, which doubles as an e-commerce platform. Square is now encouraging users to switch over to the new product, but for now, it is still supporting Weebly.

What big companies use Weebly?

Is Weebly owned by Squarespace? Both Squarespace and Weebly (owned by Square) support Stripe, PayPal, Afterpay, and Square payments. Squarespace additionally supports Clearpay. Plus, they offer their own solution—Squarespace payments. These payment gateways allow users to pay by credit or debit card, even directly through Apple Pay or Google Pay.

Do I own my content on Weebly? Weebly does not claim ownership of the Content you place on your Weebly web site.

How much is a Weebly website per year? Weebly.com domains are \$19.95 per year, while .shop domains are \$36 per year. Domain privacy is included in the overall Weebly domain cost, which is \$10 per year. Annual Weebly Business and Business Plus plans include a free domain for one year.

Can two people work on a Weebly site at the same time? You can also add multiple people at the same time - just separate the email addresses with commas. The default permission level is Admin, but if you have the appropriate site upgrade, you can adjust the permissions for editors. An Author can be limited so that they can only edit specific pages.

Do you own your domain with Weebly? Hosting your site on a custom domain is a paid feature that requires an active Weebly paid plan. You may already own a domain you purchased through Weebly or another domain provider, but owning a domain is different from subscribing to a Weebly paid plan that is required to host a site on that domain.

Can you see who views your Weebly website? Easily track how many people visited your website, which pages they visited, what search terms they used to find your site, and which websites referred traffic to your site directly from the Weebly dashboard. Check your site stats from any device with Weebly's popular mobile

apps.

How long does it take to create a website on Weebly? Building a website with Weebly is fast and easy. You can create your site using a simple drag and drop builder, and after you're done, your site should be live as soon as you press publish. However, the exact period for building your site depends on its complexity and the content that you need to add.

Is Weebly truly free? Weebly's Free and Paid Plans That's right, Weebly has a free tier, unlike Squarespace. Naturally, the free option comes with a few limitations. Your site will have just 500MB of storage, a Weebly-based domain name, Square ads, and a 10MB maximum file size.

Can you use Weebly for free? Remember, while publishing a Weebly website for free is a great way to get started, you may want to consider upgrading to a paid plan for additional features and a custom domain name.

How can a teacher create a website for free? Create a free website for your classroom. If you use WordPress.com, setting up a website for your classroom can be completely free. To sweeten the deal, there's no complicated setup process and you don't have to know a thing about coding.

Is Canva no longer free for teachers? Canva for Education is free for eligible teachers and students.

What are the disadvantages of Weebly? Weebly places ads on free websites, and these cannot be removed unless you upgrade to a paid plan. Weebly also doesn't give you as much control over your website's design as some other site builders, such as Wix or Squarespace. Its lack of customization options and limited phone support may be a deal-breaker for some.

Why not use Weebly? Although Weebly does have its pros, there aren't many. Its designs are outdated and its customization potential is severely limited. To add to that, it isn't mobile responsive, and its marketing tools are lacking. The only points in Weebly's favor are its incredibly cheap prices and its ecommerce offering.

Why am I being charged for Weebly? All subscriptions are set to auto-renew by default, meaning the service will extend automatically at the end of the billing cycle

and charge the payment method on file. You can disable this by using the Manage link for that service.

Do you have to pay for Weebly now? Weebly pricing plans offer a free plan as well as four paid plans ranging in price from \$5 to \$38 per month. In this blog, LitExtension will walk you through the detailed Weebly pricing as well as recommend which Weebly plans you should choose to grow your business: [Weebly Pricing for Websites](#).

Is Wix or Weebly better? Weebly's rigid layout limitations make it more well-suited for beginners; most pros, or those who want to customize the look of their site, will find that Wix is the better option. Wix is also the better option for eCommerce sellers (despite the higher-priced plans) because of the fees involved with selling on Weebly.

Why do people use Weebly? Weebly is a well-rounded builder that allows users to create websites quickly and painlessly. Even if you're a complete novice when it comes to site building, you shouldn't have any issues figuring out how to make good use of this platform.

Is Wix free for teachers? Wix Tomorrow Classroom is a free platform and suite of resources to teach web creation, design, and development in classrooms.

Are Google sites free? Google Sites are free to build, host, and maintain with a Google or Gmail account. There are no web hosting fees.

What is the easiest and free way to create a website? WordPress is generally a better choice for website builders with technical experience, or for larger websites that need more flexibility. Wix is a good choice if you want a no-code website builder and a drag-and-drop editor. That being said, you can build a simple website with WordPress templates.

Can I sell Canva designs on Teachers Pay Teachers? TPT has made it easier for teachers to sell original Canva resources. If you're interested in creating resources for sale, sign up for Canva Free or Canva Pro using a personal email that's not affiliated with your school email – you can check out Canva's seller guidelines [here](#)?(opens in a new tab or window).

Do teachers pay for Canva? Canva for Education is 100% free for K-12 (primary and secondary) teachers and their students, powering creation and collaboration in every classroom.

How do I get Canva Pro for free forever? Get started with Canva for Education — 100% free Get started for free!?(opens in a new tab or window) If your school is registered, just sign up with your student email address or check with your IT department. You can also access Canva's free plan anytime.
