**Is Captive Prince a trilogy?** So much of him grows throughout the trilogy, but the core essence of him stays the same, and that's just good character writing right there.

**How many volumes does Captive Prince have?** There are 3 books in this series.

**What happens in the captive prince book 1?** The main story goes like this: Damen is a prince and the heir to the throne of Akielos. But when the king dies, Damen is captured and bundled off to Vere, disguised as a slave, while his half brother takes the throne. Vere is an enemy to Akielos and Damen must continue pretending to be a slave if he wishes to live.

**Was Captive Prince originally a fanfic?** Pacat's first novel Captive Prince began as an online serial of original "slash" fiction on LiveJournal, where it garnered viral attention. **Is Captive Prince spicy?** Vere (the setting of the story) is a very sexual society where the people will get handsy with each other in public. They have pleasure slaves and pets, and a lot of the dialogue from other characters are crude and very

sexual but it's more just a part of their personalities.

**How old is Damon in Captive Prince?** Damen is five years (and some change) older than Laurent, and presently 25. Auguste was between eleven and twelve years older than Laurent; he was 25 when he died and would be 31 or 32 now. **Is Captive Prince enemies to lovers?** If you're reading this, you're probably aware of the long list of trigger warnings that come with the series. I want to focus on what the books do particularly well, which is maintaining the perfect enemies to lovers plot from start to finish. Enemies to lovers is a complex trope. It's very difficult to get right.

**How many chapters are in The Captive Prince?** Chapter Information Captive Prince contains thirteen chapters as well as a teaser for Prince's Gambit. An extra short story titled The Training of Erasmus is included in both the S. U. Pacat eBooks and the Physical copies.

**Do Laurent and Damon sleep together?** The characters do have sex in this book, but it's rather unlike any sex scene I've read before and not just because the characters involved were both males. Damen is so keenly aware of Laurent (honestly, he had to be for his safety earlier on) in every sense it just elevates things to another level.

**What happens at the end of Captive Prince?** After the regent makes a failed attempt on Laurent's life at the end of Captive Prince, Damen and Laurent are forced into an uneasy alliance: Damen will try to keep Laurent alive in order to prevent a

bloody, pointless war between Akielos and Vere, and by the start of Prince's Gambit, though still technically a slave, ...
