

I SURVIVED THE SINKING OF THE TITANIC

[Download Complete File](#)

What happens at the end of I Survived the Titanic? In the end, George and his father begin to repair their relationship. I Survived the Sinking of the Titanic, 1912 uses a relatable character and suspense to answer readers' questions about the sinking of the Titanic. The story is accessible to all readers because Tarshis uses short paragraphs and simple sentences.

What AR level is I survived the sinking of the Titanic?

Who is Marco in I Survived the sinking of the Titanic? Marco is Enzo's dad. He is very caring and takes good care of Enzo. Even though George is not his son, he treats George like his son. Aunt Daisy took George and Phoebe on the Titanic after her husband died.

How old is George in I Survived the Titanic? Ten-year-old George Calder can't believe his luck -- he and his little sister, Phoebe, are on the famous Titanic, crossing the ocean with their Aunt Daisy. The ship is full of exciting places to explore, but when George ventures into the first class storage cabin, a terrible boom shakes the entire boat.

What were Jack's last words to Rose? promise me you will survive....that you will never give up...not matter what happens... no matter how hopeless... promise me now, and never let go of that promise. ROSE: I promise.

Is the old lady at the end of Titanic real? The Real-Life Rose Stuart played an elderly version of Rose, who was based upon artist Beatrice Wood. While Cameron was developing the film that would become Titanic, actor Bill Paxton's wife, Louise

Newbury, lent him a copy of I Shock Myself, Wood's autobiography.

Did anyone in 3rd class survive the Titanic? Around 709 third class passengers were on board. Around 174 third class passengers survived. There was a third class general meeting room and a smoking room. The dining room could seat 470 passengers in 3 sittings.

Would the Titanic sinking pull you under? However, even with a ship the size of Titanic, the suction created will be so minimal that the only way it would affect you is if you were clinging to her as she sank, allowed her to pull you under for a while, and THEN started swimming for the surface. Cameron's film was accurate on this regard.

What would happen to a body at the depth of the Titanic? The immense amount of ambient pressure from the water is so much greater than the body's internal pressure, so the lungs would collapse completely, resulting in instant death.

Who survived all 3 titanics?

Who is the coward of the Titanic? Criticism. After the disaster, Ismay was savaged by both the American and the British press for deserting the ship while women and children were still on board. Some papers called him the "Coward of the Titanic " or "J. Brute Ismay", and suggested that the White Star flag be changed to a yellow liver.

Who shoots himself in Titanic? We know that in Cameron's Titanic, William Murdoch shot himself in the head, probably from guilt.

Who is the longest living survivor of the Titanic? Edith died on 20 January 1997 in a Southampton nursing home at the age of 100. By her bed stood a photograph of her father in a straw boater, stiff collar and bow tie. She remains one of the longest-lived Titanic survivors. Mary Davies Wilburn holds the record, having died in 1987, at the age of 104.

Who was the 17 year old passenger on the Titanic? John Borland "Jack" Thayer III (December 24, 1894 – September 20, 1945) was a first-class passenger on RMS Titanic who survived the ship's sinking. Aged 17 at the time, he was one of only a handful of passengers to survive jumping into the frigid ocean.

How old is the youngest Titanic survivor now? Millvina Dean was only 9 weeks old when her family boarded the Titanic in 1912. She never publicly spoke about the Titanic until September 1, 1985, when the wreck was found. She lived to be 97 years old, dying in 2009.

Was Rose hallucinating Jack? Yes, we put it to you that cheeky chappy Jack Dawson, with his impossibly chiselled cheekbones and his Joie de vivre spirit, was indeed too good to be true: he was merely a figment of Rose DeWitt Bukater's imagination as she suffered a psychotic episode aboard the Titanic at her lowest ebb.

Did Jack sacrifice himself for Rose? Of course, they fall in love anyway. And when the Titanic hits an iceberg and sinks to the bottom of the ocean, Jack performs one final act of love: He helps Rose onto a floating wooden board—and remains in the freezing water beside her. Rose makes it. Jack doesn't.

Did Rose ever have Jack's baby? Not only would her name be changed to Rose Dawson, she would even be married to Jack. She had a child with him, though she didn't realize it until May 15, 1912, exactly one month after the sinking of the Titanic. She named the baby girl Elizabeth.

Was Jack's body ever found? Rose would visit his grave from time to time.

How old was Rose Dawson when she died? Rose Dawson (born DeWitt Bukater), 1895 - 1999 Rose married Jack Dawson. Jack was born on month day 1912. They had 3 children. Rose passed away on month day 1999, at age 104.

Is the real Rose from Titanic still alive? Rose was not a real person. The film rose died in 1996 in her sleep at the age of 100 (turning 101 “next month”) the film tells us.

What famous person died on the Titanic? DIED: John Jacob Astor, millionaire Astor was a member of the prominent Astor family and helped build the Waldorf Astoria hotel in New York City. He was also an inventor, a science-fiction novelist, and a veteran of the Spanish-American War. He was traveling with his wife, Madeleine, in Europe when she became pregnant.

Did anyone survive the Titanic by swimming? He recounted that sorrowful day in April 1912 when the RMS Titanic sank on its maiden voyage from England to America, killing over 1,500 people. There were around 700 survivors. Prentice, who passed away in 1982 at the age of 93, survived by swimming to a nearby lifeboat.

Did anyone in the boiler room survive the Titanic? Titanic was celebrated as the biggest, safest, most advanced ship of its age, but it was a lowly stoker in its boiler room who truly deserved the name 'unsinkable'. John Priest survived no fewer than four ships that went to the bottom, including Titanic and its sister ship Britannic.

Can you swim away from a sinking ship? Swim away from the boat to avoid the propeller. Although some have busted the whole "ship pulling you under" myth, actual survivors have reported it happening.

Is it illegal to take a piece of the Titanic? Reg. 38012(Aug. 5, 2019). Therefore, any person subject to U.S. jurisdiction proposing to conduct research, exploration, salvage, or other activity that would physically alter or disturb the wreck or wreck site of Titanic must obtain a project authorization from NOAA in advance of such activities.

Would the Titanic have sunk if it hit straight on? The colossal cruise liner had been built with bulkheads in its bow in the event of a collision. If the ship had hit the iceberg head-on therefore, it's predicted that only the first three or four watertight compartments would have been flooded, a less severe alternative to what actually happened.

Is GMAT official guide enough for quant? Mastery of the GMAT requires knowledge of concepts and strategies and strong GMAT Quant and Verbal skills. Since they provide mainly practice questions, the Official Guides are not enough for most students preparing for the GMAT.

Where can I buy an official GMAT guide? The Official Guide for GMAT Review: GMAC (Graduate Management Admission Council): 9780470449745: Books - Amazon.ca.

Is the GMAT official guide free? From there, access the free GMAT™ Official Starter Kit + Practice Exams 1 & 2, which gives you two full-length, official practice

I SURVIVED THE SINKING OF THE TITANIC

exams that use the same scoring algorithm as the real GMAT exam. These resources are the perfect introduction to the GMAT, all available at no cost to you.

What is the official GMAT prep book? GMAT™ Official Guide 2023-2024: eBook & Online Question Bank Designed to help you prep smarter, not harder, the 2023-2024 edition has a new Data Insights chapter to help you understand the latest section of the GMAT Exam.

Is it worth buying the GMAT official guide? For most test-takers, OG is not enough. The questions in the Official Guide are actually old retired GMAT questions and so, indeed the questions on the actual exam would be of a similar difficulty level. However, you need more prep resources to ace the GMAT.

Is getting 650 GMAT difficult? 650 on the GMAT corresponds to 77 percentile. The reason why achieving 650 on the GMAT can get challenging is because in order to score 650 or above, you need to deal with tough questions during the GMAT exam. These questions require the skills of applying your knowledge, which requires significant practice.

How rare is a 800 GMAT? To earn a perfect score, you must correctly answer all the counted questions in each section. That's not easy — but it is possible. According to the Graduate Management Admissions Council, fewer than 50 people out of more than 200,000 people who took the previous GMAT exam each year scored a perfect 800.

How rare is a 750 GMAT?

Is the GMAT official guide enough for 700? However, note that the number of 700+ questions in the OG is limited. Hence, there are only so many difficult questions you can practice. No, they are not enough unless you are already scoring above 760 in the GMAT mock tests, especially the official ones.

Which GMAT prep course is the best?

What is the cheapest way to study for the GMAT? We chose PrepScholar as best for those on a budget because it offers a low-cost \$69 starting package and a comprehensive program for \$259. PrepScholar is our top option for GMAT prep on a budget, as it offers courses starting at just \$99. That's less than 5% of what you'll

I SURVIVED THE SINKING OF THE TITANIC

pay with some of the most expensive options.

Is GRE or GMAT easier? The quantitative section on the GRE tends to be a bit easier than its GMAT counterpart (and you get to use a calculator). The GRE section typically has more geometry, while the GMAT has more logical reasoning questions. The GRE verbal section, on the other hand, tends to feature more difficult vocabulary than the GMAT.

What is the best study guide for GMAT?

Is GMAT official guide available online? That's why the GMAT™ Official Guides offer indispensable practice, test-taking advice, and customizable Online Question Banks for instant access to hundreds of real GMAT™ questions from past exams. Through the one-time-use PIN code inside your book, you'll receive a full year of access from date of activation to...

What is the best GMAT quant prep course?

How hard is it to get a 550 on the GMAT? An average student won't find scoring 550 on the GMAT too hard. In fact, an average student may be able to score 550 without much preparation. An average student will likely find scoring 660 somewhat challenging and will likely have to prepare in earnest to achieve that score.

Is GMAT official guide same as Quant review? The Official Guide for GMAT Quantitative Review More of the same. This book is slimmer (only about 300), cheaper, and green, but if you need more math practice, it's a great resource. One caveat: the average difficulty level of questions in this book is somewhat lower than that of the questions in the Official Guide.

Can I use old GMAT official guide? Most question types and content areas are still tested on both exams: The new GMAT is essentially a subset of the soon-to-be-retired one, so you can still use the "old GMAT" study materials—just skip the most* of the geometry and Sentence Correction material.

Is 470 a bad GMAT score? A score of 470 places you in the lower percentile of test-takers, indicating that a significant portion of your peers has achieved higher scores. This can undoubtedly pose challenges in gaining admission to competitive MBA programs, particularly those with stringent admission criteria.

How rare is a 780 GMAT? GMAT 780 corresponds to the 99th percentile. Only a few test takers get such a high score on the GMAT.

Is 490 a bad GMAT score? First, some perspective: A score of 490 is in the 32nd percentile at a time when the median GMAT for enrolled students at Harvard is in the 96th percentile. It's decidedly well below the 544 average score and there are some schools that would immediately toss the application in the rejection pile.

Is 500 a bad GMAT score? A GMAT 760 or above will put you in the 99th percentile, a GMAT 700 in the 88th percentile, and a GMAT 600 in the 53rd percentile. Scores above 700 are generally considered strong and those below 600 are considered very weak.

Will an 800 GMAT get me into Harvard? Keep in mind that even a score of 800 will not guarantee admission to Harvard. In fact, every year, approximately 10% of students with this score are rejected.

How rare is 770 on the GMAT? A 770 is in the 99th percentile. The 99th percentile starts at 760 so technically a 770 is 99th%+ but the GMAT only provides integer percentiles. The LSAT actually digs into the decimals so you can get a 99.9 percentile LSAT score.

Is the GMAT Focus Edition official guide enough? The Official Guide is mostly a set of practice questions with so so explanations. So, preparing with just the OG is enough only if you start off relatively close to your goal and just need a bit more practice to achieve it.

What is the best GMAT quant prep course?

Is the actual GMAT tougher than GMAT prep? GMAT practice test difficulty levels vary significantly among third-party test providers. Some are much harder than the actual GMAT, while others are much easier. Even those that seem similar in difficulty lack the official scoring algorithm used by GMAC.

Is GMAT official practice good? Only official practice tests use the same computer-adaptive testing system and scoring algorithm as the actual GMAT. Test-taker debriefs and score data indicate that the difficulty of official GMAT practice

tests is on par with that of the real exam.

How rare is a 780 GMAT? GMAT 780 corresponds to the 99th percentile. Only a few test takers get such a high score on the GMAT.

Is 470 a bad GMAT score? A score of 470 places you in the lower percentile of test-takers, indicating that a significant portion of your peers has achieved higher scores. This can undoubtedly pose challenges in gaining admission to competitive MBA programs, particularly those with stringent admission criteria.

Is 700 GMAT good enough for Harvard? At Harvard Business School, the average GMAT may be at 730, but the 85% range runs from 690-760. That means 700 and above applicants will get a second look, provided they differentiate themselves in other dimensions.

How hard is GMAT quantitative? Instead, many GMAT Quant questions are tricky. Answering them takes not only math skill but also skill in seeing the angles of a mathematical situation. In fact, GMAT Quant questions involve relatively basic high school-level math. So, what makes GMAT Quant questions challenging isn't mathematical complexity.

Is Manhattan GMAT better than Kaplan? It depends on your starting and target scores, as well as what you need help with. You can use MGMAT's books for content overview, Manhattan's tests to practice pacing, and Kaplan's books for practice problems. There are more effective materials available however. I have just started GMAT preparation.

What is the average GMAT quant score? Average GMAT Quant score – 42.07. Average GMAT Verbal score – 27.8. Average GMAT IR score – 4.67.

Is scoring 700 in GMAT tough? Obtaining a 700 GMAT score or higher takes a lot of hard work and determination. Test takers should be prepared to spend hundreds of hours studying for the exam. If you need a little extra help, here are five tips that will help you get the best GMAT score possible.

What is the hardest part of the GMAT? This has given the verbal section the reputation of being a nightmare experience, and a large subset of GMAT test-takers feel far more pressure on the verbal section than on quant. Tons of GMAT students

I SURVIVED THE SINKING OF THE TITANIC

feel an extra dose of adrenaline hit them when they see their first verbal question on test day.

Is GMAT math harder than SAT? So, overall, GMAT math is harder than SAT math because of the reasoning necessary for answering GMAT math and data interpretation questions. KEY FACT: The concepts involved in GMAT math questions aren't more advanced than those involved in SAT math questions, but GMAT math questions are harder.

What is a realistic GMAT score? A good GMAT score is 615+ on the new GMAT and 645+ on the old GMAT. A great GMAT score is 685+ on the new GMAT and 720+ on the old. This makes strong GMAT prep essential and worth the time and energy; good GMAT scores are essential if you want to get into a top MBA program.

What is a good GMAT score without preparation? The mean GMAT score without studying is around $575 - 40 = 535$. The median GMAT score without studying is around $600 - 40 = 560$.

Do employers look at GMAT? Top consulting firms like Bain, BCG, and McKinsey often look at GMAT scores as part of their hiring process. These companies typically prefer candidates to have a score in the 710+ range.

The Ethics of History: Unraveling the Moral Dilemmas

Introduction The study of history is not merely an academic pursuit but also a moral endeavor. It raises profound ethical questions about the responsibility of historians in constructing and presenting narratives of the past. This article delves into the complex ethics of history, exploring key questions and providing thought-provoking answers.

Objectivity and Interpretation One fundamental ethical dilemma in history is balancing objectivity with interpretation. Historians strive for accuracy, but their perspectives and biases inevitably shape their interpretations. How do we ensure that our accounts are fair and impartial while also acknowledging the subjective nature of history? **Answer:** Historians must strive for transparency, disclose their biases, and engage in rigorous research and critical thinking to minimize the influence of personal agendas.

Selective Memory and Historical Amnesia History is often selective, focusing on certain events and figures while neglecting others. This has both ethical and political implications. How do we decide what to include and exclude in historical narratives?

Answer: Historians have a responsibility to uncover and present a comprehensive and balanced account of the past, challenging dominant narratives and giving voice to marginalized perspectives.

The Ethics of Sources Historical knowledge is constructed from various sources, each with its own biases and limitations. How do we critically evaluate sources and avoid perpetuating unreliable or biased accounts? **Answer:** Historians must employ rigorous source analysis techniques, considering the provenance, authenticity, and credibility of evidence to ensure a reliable foundation for their interpretations.

Moral Judgments and Historical Empathy History often involves judging past actions and figures. While it's important to hold individuals accountable for their deeds, how do we do so without imposing our present-day values on the past?

Answer: Historians must strive for historical empathy, understanding the context and motivations of past actors without condoning their actions. Moral judgments should be made cautiously and in recognition of the complexity of human behavior.

Historical Accountability and Healing History can play a powerful role in shaping our understanding of the present and facilitating reconciliation. How do we use historical narratives to address past injustices and promote healing? **Answer:** Historians have an ethical responsibility to present history in a way that fosters dialogue, empathy, and accountability. By acknowledging the mistakes and atrocities of the past, we can work towards building a more just and equitable future.

The Management Myth: Debunking Modern Business Philosophy

Modern business philosophy is riddled with myths and misconceptions. These beliefs often lead to poor management practices and hinder organizational effectiveness. By questioning and debunking these myths, we can create a more enlightened approach to management.

Myth 1: Micromanagement Leads to Success

- **Question:** Is it true that close supervision and constant control improve team performance?
- **Answer:** Micromanagement stifles creativity, innovation, and motivation. Trusting employees to perform their tasks independently leads to greater autonomy and increased productivity.

Myth 2: Leaders Are Born, Not Made

- **Question:** Are leadership skills inherent or can they be developed over time?
- **Answer:** Leadership is a skill that can be learned and refined. By providing support, mentorship, and opportunities for growth, organizations can foster the development of effective leaders.

Myth 3: Intuition Always Guides the Best Decisions

- **Question:** Should business decisions solely rely on gut instinct and personal judgment?
- **Answer:** While intuition can be valuable, it should be balanced with data-driven analysis and objective evaluation. Informed decision-making processes lead to more consistent and effective outcomes.

Myth 4: Shareholders' Interests Should Prevail

- **Question:** Is the primary purpose of a business to maximize shareholder value?
- **Answer:** A balanced perspective considers the interests of all stakeholders, including employees, customers, suppliers, and the community. By focusing on long-term sustainability and creating value for all, businesses can achieve greater success and social impact.

Myth 5: Competition Drives Innovation

- **Question:** Does fierce competition consistently foster innovation?

- **Answer:** While competition can spur some innovation, it can also lead to conformity and risk aversion. Collaboration and open innovation can create a more fertile environment for breakthrough ideas and solutions.

By debunking these myths, we can move towards a more enlightened and effective approach to management. This involves fostering a culture of trust, empowering teams, making decisions based on evidence, considering the interests of all stakeholders, and encouraging collaboration and innovation.
