### **President Duterte's 2017 SONA Speech: Full Text Transcript with Q&A**

#### **Paragraph 1:**

President Rodrigo Duterte delivered his second State of the Nation Address (SONA) on July 24, 2017, before a joint session of Congress. In his speech, Duterte outlined his administration's accomplishments and plans for the future, focusing on issues such as poverty reduction, infrastructure development, and the fight against drugs.

### Paragraph 2:

One of the key questions raised during the SONA was: **What is the progress of the war on drugs?** Duterte responded by stating that thousands of drug suspects had been killed or arrested, and emphasized the need to continue the crackdown to eradicate the drug problem in the Philippines.

### Paragraph 3:

The SONA also touched on the issue of poverty. Duterte acknowledged the challenges faced by the poor and outlined plans to create jobs and provide social safety nets. **What specific measures will be taken to alleviate poverty?** he was asked. Duterte spoke about expanding conditional cash transfers, increasing social services, and promoting micro-enterprises.

### Paragraph 4:

Infrastructure development was another major theme of the speech. Duterte announced plans to invest heavily in roads, bridges, and transportation systems. **How will these infrastructure projects be funded?** Duterte explained that the government would seek public-private partnerships and explore foreign investments.

### Paragraph 5:

Duterte's SONA also touched on other issues, such as foreign policy and corruption. He pledged to continue an independent foreign policy and vowed to intensify the fight against corruption within government. **What specific anti-corruption measures are being considered?** Duterte stated that he would create a special task force to address corruption and investigate government officials involved in irregularities.
