**What is the book about Okies in California?** American Exodus: The Dust Bowl Migration and Okie Culture in California. New York: Oxford University Press, 1989.

**What decision did Okies make when they reached Barstow, California?** When the migrants got to Barstow, California, they had to decide whether to follow Highway 66 into Los Angeles or turn north toward California's central agricultural valleys. Some 38 percent of the southwestern migrants chose Los Angeles. They did not find a warm reception.

**How did Californians treat the Okies?** Townspeople labeled Dust Bowl migrants as "Okies," no matter where they were from. To them, Okies were ignorant, uneducated, dishonest, and strange. Some wanted to help the Okies by providing food and clothing. Others wanted them to leave California and go back home.

**What happened to the Okies in California after 1939?** While many families had plans to leave California after making a good amount of money, they often didn't; the children and grandchildren of Okies also seldom returned to Oklahoma or farming, and are now concentrated in California's cities and suburbs.

**Why is Okie derogatory?** The term became derogatory in the 1930s when massive migration westward occurred. "Okie" usually described "white" migratory agriculture workers; "Okie" was never, or at least rarely used, about African American migrants during the Great Depression.

**Why did many people fleeing the Dust Bowl choose California as their destination?** California was popular for Dust Bowl refugees due to its productive

Central Valley, promising agricultural work prospects, relatively mild climate, and past associations with opportunities like the gold rush.

**Why did Californians called many migrants Okies?** As more and more migrants arrived in California, they began to be referred to as “Okies” or “Arkies” depending on where they came from. The name was derived from the fact that a large portion the migrants (around 20%) came from parts of Oklahoma.

**What are some interesting facts about the Okie migration?**

**Which state did most Okies resettle in?** Nearly half a million people (sometimes referred to as Okies) migrated out of Oklahoma, many of them tenant farmers who were forced to abandon their farms, about half of which ended up migrating to California during this period seeking jobs in places such as the profusely agricultural San Joaquin valley.

**Why did the Okies leave their homes?** The migrant population exploded in California during the Great Depression, when thousands of people moved there to find work and a better life. Regardless of where they came from, their skills or education, they were called, "Okies."

**What is Okie slang for?** noun US slang, sometimes offensive. 1. an inhabitant of Oklahoma. 2. an impoverished migrant farm worker, esp one who left Oklahoma during the Depression of the 1930s to work elsewhere in the US.

**What is the slang for oklahomans?** But as a general nickname for an Oklahoman, Okie is sometimes appropriated as a positive term of self-reference.

**Why were many Californians prejudiced against the Okies?** Why did Californians hate Okies? - Quora. the drought and bank foreclosures did them in so they migrated to calif hoping for a better life. they were desperate poor uneducated and despised because of it. they were not wanted .
