**Does Jonas see Fiona again?** But Lowry says the film itself isn't consumed by the relationship between Jonas and Fiona, except for a line in the final scene in which Jonas says, "I knew I would see Fiona again." "I've written four books now (in this series) and he never sees her again," Lowry tells The News.

**Is The Giver Jonas's father?** He is a Nurturer at the Nurturing Center in his Community, and the father of Jonas and Lily, as well as the care-taker of Gabriel.

**Does Jonas marry Fiona?** Lois Lowry I wish they hadn't made it feel certain that Jonas would go back, wouldbe with Fiona again. Yeah, that's romantic. But actually..in the books that follow...he does not go back; he meets and marries a wonderful woman..not Fiona.

**Is Rosemary The Giver's real daughter?** It is revealed that Rosemary is the Giver's daughter and became the Receiver-in-training after him. After experiencing all the pain and loss that were in the memories transmitted to her, she applied for Release and asked to inject herself, willfully committing suicide.

**What are the inappropriate scenes in The Giver book?** The novel has a few disturbing scenes, such as when Jonas experiences the suffering of a wounded soldier, and when he learns that his community euthanizes unwanted people. There are also mild references to sexual desire ("stirrings").

**Why is the word love inappropriate in *The Giver*?** For example, the concept of “love” is meaningless to Jonas's parents. They are unable to comprehend the word or the emotion. Jonas, on the other hand, feels love very strongly, because he and The Giver are the only ones who can express or think about any strong emotions.

**Did The Giver ever get married?** Yes, the Giver is married, but he no longer interacts with his spouse. She lives with the other childless adults in their community.

**Why do people love The Giver so much?** Many books convey broad “universal” themes—and these books deserve every bit of praise thrown at them—but everyone deserves a book that acts as an advocate on their behalf. The Giver does this, and it does so by saying to the reader: Your feelings matter. Your pain is real. Your life is worth living.

**What is the moral of *The Giver*?** The moral of The Giver is that life is not complete without both good and bad experiences. While the world Jonas lives in has eliminated pain, hunger, and other negatives, they have also eliminated love, families, and freedom of choice.

**What is the message of *The Giver*?** As we learned, the primary theme of The Giver is the message that you can't enjoy life's pleasures without enduring the pain. **What is rule 1 in *The Giver*?** Rule 1. "Pilots cannot fly over the community," Jonas hears announced in Chapter 1. When they do, they are "released." Rule 2. Members of the community must adhere to the rules of his/her age group or job.

**What is rule 7 in *The Giver*?** Rule 7. You are not permitted to apply for release.

**What is the biggest problem in *The Giver*?** The antagonist in The Giver is society itself. The primary conflict in The Giver revolves around Jonas's rejection of his

society's restrictive ideal of Sameness. Although the elders make decisions for the community, they themselves merely uphold a system put in place by their forebears.

**What is the main message of the book *The Giver*?** As we learned, the primary theme of *The Giver* is the message that you can't enjoy life's pleasures without enduring the pain. Individuality has the capacity to cause conflict and make it possible for people to make the wrong decisions, but blind conformity has just as many risks.

**What is the main lesson of *The Giver*?** The moral of *The Giver* is that life is not complete without both good and bad experiences. While the world Jonas lives in has eliminated pain, hunger, and other negatives, they have also eliminated love, families, and freedom of choice.

**What is most important to *The Giver*?** The main message in "*The Giver*" is that we must be careful with our freedom of choice and use of censorship. The society that we read about in "*The Giver*" decided long ago to give up their individual rights to make choices for themselves, resulting in a loss of proper moral principle.
