What happened between Brahms and Clara Schumann? Clara and Brahms did not end their days together but remained friends for the rest of their lives. To Clara's dismay, Brahms fell in love with Agathe von Siebold, a young singer, in 1859. "He has abandoned my love and my devotion and now he falls in love with this girl because she has a pretty voice!", she wrote.

What pieces did Brahms write for Clara Schumann? Op. 118 is dedicated to Clara. The 2nd of 7 movements is perhaps the most famous Character Piece Brahms ever composed.

What did Robert Schumann say about Brahms? Profoundly impressed by the young man's compositions, Robert wrote a celebrated article that hailed Brahms as a genius and proclaimed him heir to the legacy of Beethoven.

What is the age difference between Brahms and Clara Schumann? It might have been the age difference; Clara was 14 years older than Brahms; or that they both treasured the memory of Robert Schumann so much that their honor held them back.

Why did Schumann have to wait to marry Clara? Schumann had to deal with Clara's father, Friedrich Wieck, who did his best to prevent their marriage. Wieck believed that all of the efforts he had made on his daughter's behalf would be wasted since most female pianists did not continue their career after marriage.

What was unusual about Clara Schumann? Impact during her lifetime. Although Schumann was not widely recognized as a composer for many years after her death, she had a lasting effect as a pianist. Trained by her father to play by ear and memorize, she gave public performances from memory as early as age thirteen, a

fact noted as exceptional by her reviewers.

Who did Brahms marry? Johannes Brahms was the son of Jakob Brahms, an impecunious horn and double bass player, who was Johannes's first teacher. Johannes never married, but he had a close relationship with the pianist Clara Schumann, who was married to his champion, composer Robert Schumann.

What happened to Clara Schumann's children? In her personal life, Clara not only had to deal with the loss of her beloved husband, but also the death of three of her children: Julie died in 1872, Felix in 1879 and Ferdinand deceased in 1891. Her son Ludwig had to be committed to an institution due to an incurable mental disease.

What did Brahms struggle with? The biggest struggle was in Brahms's head. He knew that many people, including Robert and Clara Schumann, saw him as a successor to Beethoven. And that expectation bore down on him. It was almost too much for him to deal with.

What is a famous quote by Brahms? Johannes Brahms Quotes Without craftsmanship, inspiration is a mere reed shaken in the wind. The idea comes to me from outside of me - and is like a gift. I then take the idea and make it my own - that is where the skill lies. The only true immortality lies in one's children.

What did Liszt think of Brahms? Brahms and Liszt's feud transcended mere ideology. Records indicate that the men had little respect for one another personally. Brahms is said to have fallen asleep during Liszt's premiere of his Piano Sonata in B minor. The feeling was mutual, as Liszt mostly found Brahms' music "hygienic, but unexciting."

Was Clara Schumann in love with Brahms? Clara's love words for Johannes were far fewer. In all of her letters to him, she never outright declares her love for him. In her diary in 1854, she twice wrote, "I love him like a son." This was her reasoning for allowing him to address her by her first name (because he begged her) despite her being married.

Did Clara Schumann have a loving relationship with her father? For Clara, the years before the marriage meant a hard struggle between her love for her father, to whom she owed her education and career, and Robert Schumann. Finally, she broke with her father and, despite a later reconciliation, the relationship never was the same again.

What difficulties did Clara Schumann face? Clara faced many challenges, including her father's opposition to her career, her husband's illness and death, the loss of four children, and the sexism of her time. She overcame these by being resilient and adaptable.

What did Clara Schumann do after her husband died? Though family responsibilities curtailed her career, she taught at the Leipzig Conservatory, composed, and toured frequently. Beginning in 1853, the Schumanns developed a close professional and personal friendship with the composer Johannes Brahms that Clara maintained after her husband's death in 1856.
