The Future of Us: A Q&A with Jay Asher

What inspired you to write "The Future of Us"?

Jay Asher: I wanted to explore the idea of soulmates and whether or not they are real. I also wanted to write a story about a first love that is both heartbreaking and hopeful.

How did you develop the characters of Emma and Josh?

Jay Asher: I based Emma and Josh on people I knew in high school. I wanted them to be relatable and flawed, but also likeable. I also wanted their relationship to feel genuine and authentic.

What is the main theme of "The Future of Us"?

Jay Asher: The main theme of "The Future of Us" is that love is not always easy, but it is always worth fighting for. Even if a relationship doesn't work out, it can still teach us important lessons about ourselves and what we want in life.

What do you hope readers will take away from "The Future of Us"?

Jay Asher: I hope readers will be moved by Emma and Josh's story and that they will be inspired to think about their own relationships. I also hope they will realize that even if things don't always go their way, they can still create a happy and fulfilling life for themselves.

What are your plans for the future?

Jay Asher: I'm currently working on a new novel, which I'm very excited about. I'm also looking forward to continuing to connect with my readers through social media and my website.
