**In what order should I read Deltora Quest?** The Deltora Quest is a collective title for three series of children's fantasy books with a continuing, classical quest storyline, comprised of: the Deltora Quest, Deltora Shadowlands, and Dragons of Deltora, also titled Deltora Quest 1, 2, and 3, respectively. Ideally, the three series should be read in order.

**How many books are there in the Deltora Quest 2 series?** The series comprises three books: Cavern of the Fear, The Isle of Illusion, and The Shadowlands.

**What age is Deltora Quest appropriate for?** The Deltora Quest books are slightly more advanced than the Rowan of Rin books. My twin sons read them when they were 9 and I think they're probably most suited to 9-10 year olds. They're also great to read aloud to 7-8 year olds. Both boys and girls love these books but they seem to appeal especially strongly to boys.

**Is the Deltora Quest worth reading as an adult?** I read all of these books when I was 12-15. A couple summers ago I was feeling super nostalgic and reread the entire series (age 21). I was very surprised at how well the dialogue, world building, plot (and its twists), and character development held up. I HIGHLY recommend this series.

**Is Rowan of Rin connected to Deltora Quest?** In the back of the paperback version of the Star of Deltora books (starting with Shadows of the Master) there is also an author's note that states that Rowan of Rin, The Three Doors, and Deltora Quest are set in the same world.

**Is there romance in Deltora Quest?** At the end of the series, Lief and Jasmine marry and have three children: a daughter, Anna, named after Jasmine's mother,

and twin sons, Endon and Jarred, named after Lief's father and Jasmine's father, respectively.

**Is there a Deltora Quest series 4?** The peaceful Deltora Kingdom is in peril due to the machinations of the Shadow King. Brave adventurers set out on an epic quest to recover seven lost stones that are critical to saving Deltora from the Shadow King.

**How many books are in Deltora Quest 3?** It comprises four books which were first published in Australia in 2004 and 2005 in the United States by Scholastic.

**What does the ruby do in Deltora Quest?** The Ruby pales in the presence of evil or misfortune threatens its wearer, so can be used to be able to defend oneself from attack by an enemy. It wards off evil spirits, meaning that no evil can attack the wearer when the Ruby shows its power. It also is an antidote to snake venom.

**What is Deltora quest based on?** Deltora Quest (Japanese: ??????????, Hepburn: Derutora Kuesuto) is a Japanese anime television series based on the series of children's books of the same name, written by Australian author Emily Rodda. **Who is Jarred in Deltora Quest?** Jarred is one of the two sons of King Lief and Queen Jasmine. He and his twin brother, Endon, are the princes of Deltora. He is also one of the younger brothers of Anna. Jarred is named after his maternal grandfather.

**Who is the heir in Deltora Quest?** Upon Lief's sixteenth birthday Barda revealed himself to Lief and the quest for the gems of Deltora began. Though Barda was at first annoyed to travel encumbered by a child, he soon saw Lief as more of a help

than a hindrance. Leif is found to be the true heir to the throne.

**Is art and design GCSE hard?** Art is demanding, requires hard work and sometimes the teachers base the marks on the quantity and not the quality of your work. If you are willing to put in at least 4-6 hours of Artwork a week, I'd say you can get a pretty decent grade.

**Is art and design difficult?** Due to its large emphasis on creativity, difficulty in art tends to be based around how to interpret questions and hone practical techniques, rather than mastering advanced formulas or theorems.

**Is art and design a hard major?** An art major can be both challenging and rewarding , as it requires a combination of technical skills , creative thinking , and a strong understanding of art history and theory .

**What can you do with art and design in GCSE?**

**How stressful is art in GCSE?** GCSE art requires a lot of hard work. It's one of those subjects where you can't "wing it" as you need to produce a large portfolio of work. My dd has spent hours and hours on it. You really need to enjoy it and set aside good chunks of time at home.
