Should you keep owners manual in car? It could also reveal useful features you didn't realize your car has. "An owner's manual isn't something you need to read cover to cover in one sitting," says Mike Crossen, a CR mechanic. "But it puts a lot of useful and important information about your car into an indexed, easy-to-use guide."

Should my car come with a manual? If you want to take full control of the car and be as involved with the driving experience as much as possible then the best way to do that is with a manual gearbox. If you're doing a lot of driving around busy urban areas and you want to feel comfortable when doing so then the automatic gearbox is for you!

Do I have a manual car? You have to see the pedals, if there are two pedals it is automatic (some do have a parking brake pedal, but it is located far from accelerator and brake. If there are three pedals near each other, the one in the left is the clutch pedal and that means manual transmission.

Can you convert a car to manual? A conversion is done one of two ways: physically converting the existing transmission or replacing the automatic with a manual transmission (whether new or rebuilt). The rebuilt option is pricey but may be necessary depending on the make and model of the vehicle you are converting.

Are car manuals copyrighted? The people who wrote the manuals (ie the car companies) hold the copyrights, and as such only they can authorize any other copy to be made.

Is it OK to buy a manual car? Lower Cost: Manual cars are often less expensive to purchase and maintain than automatic cars, as they have fewer parts and are easier to repair. For any first-time buyers, we'd recommend purchasing a manual, as learners typically use manuals alongside them being a more affordable option.

Are car manuals free? Most automobile manufacturers provide free electronic versions of the owner's manual for their cars. In some cases, you'll need to register with the site in order to access the information. Some automakers also require that you provide a vehicle identification number.
