**Why didn't Austen marry?** Neither Tom nor Jane had the money to make a match possible. We don't even know if Jane wanted to marry, which would almost certainly have meant giving up any chance to be a writer. She certainly didn't pursue marriage at all costs, as some of her female characters do.

**Who does Jane eventually marry?** In the series finale of *Jane the Virgin*, not only did Jane get married to Rafael, but she revealed that her book's ending plays into the very show that fans have been watching for five seasons. (As does her son Mateo.)

**Who does Jane Hayes end up with in *Austenland*?** Luckily, Jane's happy ending is as dramatic as she could have hoped. Mr. Nobley declares his true love for Jane just as she's leaving *Austenland*, and then jumps on a flight back to New York with her. We can only hope the rest of her love life unfolds with such excitement.

**Who was Jane Austen's true love?** The romance at the center of *Becoming Jane* is between a 20-year-old Austen and a real historical figure, Tom Lefroy, an impassioned but impoverished Irish law student whom she met in the winter of 1795-96.
