Test Kokology: A Japanese Psychological Test That Will Reveal Your Hidden Self

Kokology is a popular Japanese psychological test that uses seemingly simple questions to uncover deep-seated thoughts and emotions. By answering these questions honestly, you can gain insights into your personality, motivations, and fears.

Question 1: If you could be any animal, what would you be and why?

- **Lion:** You are confident, strong, and a natural leader.
- **Elephant:** You are wise, patient, and have a strong family bond.
- **Monkey:** You are intelligent, playful, and resourceful.
- **Bird:** You are free-spirited, curious, and love to explore.

Question 2: You are walking through a forest and come across two trees. One is tall and straight, while the other is short and crooked. Which tree do you identify with more?

- **Tall and Straight:** You strive for perfection and are organized and disciplined.
- **Short and Crooked:** You embrace your imperfections and are comfortable being different.

Question 3: You are in a dark room and there is a door in front of you. What color is the door?

- **White:** You are optimistic, trusting, and open to new experiences.
- **Black:** You are cautious, guarded, and prefer routine.
- **Red:** You are passionate, assertive, and not afraid to take risks.

Question 4: You are on a boat and it starts to sink. Who do you try to save first?

- **Yourself:** You prioritize your own well-being and safety.
- **A child:** You are compassionate and protective of the vulnerable.
- **A stranger:** You value human life and believe in helping others.

Question 5: You are given a superpower. What do you use it for?

- **To help others:** You are selfless and want to make a positive impact on the world.
- **To achieve personal goals:** You are ambitious and driven to succeed.
- **To protect yourself:** You are insecure and fearful of being hurt.

Kokology is not a scientific test, but it can provide valuable introspection and help you understand your own thoughts and feelings. By answering these questions honestly, you can gain insights into your personality, values, and motivations.
