

# Andrew clements the school story chapter questions

## Download Complete File

**What are the comprehension questions for any chapter?** -In general, what is this story about? -What is the problem to be solved in this story? Is there a solution? -What has happened so far? -What do you wonder after reading so far? -What is the most important point in this story or passage?

**What are the questions after reading a story?**

**What are the general story comprehension questions?**

**What is the theme of the school story by Andrew Clements?** Prior to writing novels, Clements worked extensively on picture books, and his familiarity with the publishing industry allowed him to create a realistic yet fantastical story about two children trying to navigate it. The School Story explores themes of loss, honesty, and perseverance.

**What are the 5 questions of comprehension questions?** I use my teaching skills of asking comprehension questions to check in with my students. But too often, I find myself relying solely on the 5 W's of comprehension questions: who, what, where, when, and why.

**What are the hot questions for reading comprehension?** What is the main idea of this chapter/section? How would you describe the main character in the story? What kind of person do you think the main character is? What parts in the story could not happen in real life?

**What are the 5 story questions?** One of the best practices for writers is to follow "The 5Ws" guideline, by investigating the Who, What, Where, When and Why of a story. If you can't identify what makes your story unique and interesting, chances are nobody else will either.

**What are the 3 big questions in reading?** The Three Big Questions strategy challenges readers to annotate in the margins by marking passages that answer the questions: "What surprised me?", "What did the author think I already knew?", and "What challenged, changed, or confirmed what I already knew?".

**What are the three question in the story?** These three things were: What is the right time to begin something? Which people should he listen to? What is the most important thing for him to do? The king, therefore, sent messengers throughout his kingdom, promising a large sum of money to anyone who would answer these three questions.

**What is the main question in a story?** You'll always have one single, overarching question that spans the entire narrative. You might see this being called the "major" or "central" dramatic question. It's the single driving force of the story as well as the major theme around which your story revolves.

**What are short story questions?** Short stories tend to be told through one character's point of view. The following are important questions to consider: Who is the narrator or speaker in the story? Does the author speak through the main character?

**What is the comprehension question?** Comprehension questions are questions that are used to assess a person's understanding and interpretation of a text. These questions are designed to go beyond simple recall of information and require the reader to analyze, evaluate, and apply their knowledge.

**What is the theme of the story the school?** The Inevitability of Death The only thing he and the students can know with certainty is that they died. Through the events of the story, the students learn that death is inescapable and inevitable. Because all living things are mortal, their deaths cannot be prevented or avoided.

**What is the setting in the school story?** The School Story takes place in, obviously, school and Shipley Junior Books, an editing company in New York.

**What is the theme of Frindle by Andrew Clements?** The themes of Frindle are the value of words, the value of creativity, and the value of inspirational people.

**What are the general questions for comprehension?**

**What are comprehension test questions?** Comprehension means understanding or mentally grasping the meaning of something. The answer to a comprehension question usually is something you can point to in the paragraph or passage. Look for the word, phrase, or sentence(s) that answers the question directly.

**How to answer comprehension questions?**

**What is a level 1 question example?** If it's a Level One question, you can literally put your finger on the answer in the text. There is one correct answer to most Level 1 questions or standards. For "The Sea Devil," Level One questions might include:  
\*What is the diameter of the man's net?

**What's a hot question?** -HOT questions are ones that go beyond the literal, factual material and make you think deeper by using your prior knowledge, making inferences, and evaluating skills. -Answers to HOT questions go beyond yes or no, right or wrong. Instead, they may be more open-ended.

**What are critical thinking questions?**

**What are comprehensive questions?** Comprehension questions are questions that are used to assess a person's understanding and interpretation of a text. These questions are designed to go beyond simple recall of information and require the reader to analyze, evaluate, and apply their knowledge.

**What are comprehension test questions?** Comprehension means understanding or mentally grasping the meaning of something. The answer to a comprehension question usually is something you can point to in the paragraph or passage. Look for the word, phrase, or sentence(s) that answers the question directly.

**What are the essential questions for reading comprehension?** \_\_\_\_\_

**What are comprehension check questions?** Comprehension Check Questions – or CCQs – are questions you ask during your lesson to confirm that your students understand the material that's just been presented to them. They help you to gauge your students' comfort level with the topic, the difficulty of the topic, and pace at which you should continue the lesson.
