## [Download Complete File](#)

**What is the Wayward Pines book series about?** The Wayward Pines Trilogy (2012–2014) is a mystery/thriller/science fiction novel series by American author Blake Crouch. It follows U.S. Secret Service agent Ethan Burke as he unravels the mystery surrounding his unanticipated arrival in the small town of Wayward Pines, Idaho, following a devastating car accident.

**Is there going to be a Wayward Pines book 4?** There will not be Book 4! Or as Blake Crouch said himself “probably not”. “I can't believe The Wayward Pines Series is over. I miss these characters and the town already, but I'm not sure if I'll ever return to it,” explained the author.

**How does the last town end?** The novel ends with the words, “Seventy thousand years later, Ethan Burke's eyes slammed open (283).” We have no idea if they were supposed to sleep that long, if everyone woke up, who woke Ethan up, anything.

**What order to read Wayward Pines?** Night Shyamalan starring Matt Dillon. Blake Crouch began his Wayward Pines series in 2012 with the novel Pines. It would be followed up in 2013 with Wayward. The series concluded in 2014 with The Last Town.

**Is it really 4028 in Wayward Pines?** As Ethan (Matt Dillon) explored the treacherous land outside Wayward Pines, his son Ben (Charlie Tahan) was confronted with a terrifying truth at school: The residents—or should we say survivors—are living roughly 2,000 years in the future, in the year 4028 to be exact.

**Why was Wayward Pines cancelled?** There won't be a third season of Wayward Pines, as Fox has finally pulled the plug... There were plenty of loose ends to tie up at the end of Wayward Pines' sophomore season, and although ratings had dipped from the first, it was still averaging 2.4 million viewers, with an uptick at the finale.

**Why can't they leave Wayward Pines?** Fisher went on to tell the teens they can never leave Wayward Pines because all that exists beyond the town, its walls, and its high-tech hibernation/guard station are those Abbies, carnivores who can "kill an armed soldier in moments." And the students can't tell adults the truth because the future lies with them, ...

**Is there an ending to Wayward Pines?** The series ends with the last few humans of Wayward Pines returning to cryo hibernation, while Yedlin executes a biological warfare plan to commit genocide of the planet's entire Abbie species – despite having determined they are intelligent – so that the few hundred humans might regain control and continue the cycle ...

**What is the spinoff of Wayward Pines?** Gone: A Wayward Pines Story (TV Mini Series 2015– ) - IMDb.

**How did Wayward Pines' books end?** At the end of Wayward, sheriff Ethan Burke told everyone the truth, breaking Pilcher's hold on the residents. In response, he opened the gate to the outside world and allowed a swarm of aberrations into the town. There is wholesale slaughter.

**What happened to Hassler in Wayward Pines?** In season 2, a bearded and disheveled Hassler makes it back to Wayward Pines, and he is revealed to be one of 12 "nomads" Pilcher sent out to assess the earth outside Wayward Pines many years ago. He is the only nomad to make it back alive, and thus knows more about the Abbies than anyone.

**What are abbies in Wayward Pines?** An abby, short for aberration, is a creature that lurks on the other side of the fence that protects Wayward Pines.

**What is the plot of the Wayward Pines?** Summaries. A Secret Service agent goes to Wayward Pines, Idaho in search of two federal agents who have gone missing in the isolated town. He soon learns that the series books are great as Wayward Pines. The books are a great read.

**Is Wayward Pines like the prisoner?** 'Pines' has that classic British television series, 'The Prisoner' feel with a secondary element reminiscent of Lynch's Twin Peaks. Does the Wayward Pines formula copy The Prisoner or Twin Peaks? No; however, while 'Pines' does borrow a tiny amount from each the recipe was dreamt up in development heaven.

**What are the rules of Wayward Pines?**

**Do they ever escape Wayward Pines?** October 22, 4028: Ethan escapes Wayward Pines and spends a night in the wilds, where he sees the abbies and Boise's ruins. Ben learns the truth behind Wayward Pines. Ethan is rescued by David Pilcher and he tells him the truth about Wayward Pines and a group of subversives trying to take down the fence.

**Is there a real Wayward Pines?** Set in the fictional town of Wayward Pines, the series borrows elements from renowned works like Twin Peaks, Silent Hill, The Truman Show, The Village, Under the Dome, and The Prisoner.

**What happened to Ben in Wayward Pines?** In the year 4032 Ben is the head of a Wayward Pines rebellion, which is ultimately unsuccessful and leads to him being captured on Jason's orders. After being exiled outside the fence by members of the First Generation, he is killed by abbies.

**Is Wayward Pines Season 2 bad?** I was willing to give Wayward Pines a chance to justify a second season. It simply doesn't do so. Rotten score. There are definitely more abbies in the second season, but if what you liked about the first was the insidious unknown, that's gone with little to replace it.

**What happened to Amy in Wayward Pines?** She is well enough to travel with the surviving members of the town to the bunker in plot 33. She escapes with the rest of the town through the elevator, and waits with Theresa and Ben for Ethan. She is next seen as a nurse aiding Ben Burke after he is woken for the second time.

**What was the point of Wayward Pines?** A billionaire named David Pilcher believed that the world was going to Hell. So he created the town Wayward Pines to keep the human race from devolving. The big secret of the town however is that everyone who comes in was suspended in a series and dropped into the town thinking they

go there from a car accident.

**What is the summary of the book Wayward?** A woman unhappy in marriage, despondent in her middle-aged body, trapped in her suburban home, rebuffed by her teenage daughter, underemployed at a historic home, furious at the political moment (2017, a certain unexpected president) decides to upend her life and flee the circumstances. You know, that old story.

**What is the plot of the Wayward Son novel?** The story follows Simon Snow and his friends a year and a half after the end of the first book of the trilogy, Carry On. It explores their young adult lives and how they navigate them now that Simon destroyed the biggest threat to the World of Mages, the universe's British sect of magic.

**What was the point of Wayward Pines?** A billionaire named David Pilcher believed that the world was going to Hell. So he created the town Wayward Pines to keep the human race from devolving. The big secret of the town however is that everyone who occupies it was suspended in animation and dropped into the town thinking they go there from a car accident.

**What is the monster in Wayward Pines?** Abbies are bipedal creatures with grey skin and no hair. They have a variety of advantages that put them on the top of the food chain as the most efficient carnivores in the world: talons to tear up their prey, heightened sense of hearing and smell, one hundred times more powerful than humans, and sharpened teeth.
