It can be toxic in large quantities and is a banned substance in organised competitions such as Quidditch as a method of cheating.

Is liquid luck hard to make? It was very difficult to make, disastrous if made wrong, and required six months to brew before it was ready to be consumed. It was meant to be used sparingly, as it caused the drinker to succumb to giddiness, recklessness, and dangerous overconfidence if taken in excess.

Why did Draco cry in the bathroom? Throughout the 1996–1997 school year, Draco Malfoy would go to the washroom to find company with Moaning Myrtle, confiding the stress of his mission and fear of failing it.

What happened to Draco after sectumsempra? Harry yells “Sectumsempra,” the hex scribbled in the margins of the Half-Blood Prince's book. Blood spurts from Draco's face and chest, and Myrtle beings screaming. Snape bursts into the room and heals Draco's wounds almost immediately. Snape hurries Draco to the hospital wing, commanding Harry to wait behind.

Why does Ginny have a scar? The first time we see her burn herself is in season 1, episode 2, when, after a particularly overwhelming day, Ginny turns off the light, closes her bedroom door, and takes a lighter to her inner thigh. Scars from past burns are clearly visible, as are angry welts from recent ones.

Did Severus love Harry? Now, as firmly established, Snape was not the greatest fan of Harry, but that didn't mean that he ever stopped loving Lily. Dumbledore was surprised that Snape seemed to care for the boy. With a swish of his wand, Snape conjured up a Patronus – Lily's Patronus, a doe. 'Always,' he said.

Did Snape know Harry had his book? Yes. Severus Snape knew for certain because he used Legilimency on Harry. The bathroom seemed to shimmer before his eyes; he struggled to block out all though, but try as he might, the Half-Blood Prince's copy of Advanced Potion-Making swam hazily to the forefront of his mind.

Why is Dumbledore's hand black? However, all of this was no match for Albus Dumbledore who was able to retrieve the Horcrux and destroy it with the Sword of Gryffindor. For his troubles, he discovered the ring to be cursed, which blackened his hand and left him with a death sentence placed upon him.

Who is Snape's daughter? Arabella Helena Snape, is the daughter of Muggle-Born, Helena Constantina, and Half-Blood, Severus Snape. Her second name, coming from her mother, Arabella has traits and looks, similar to her parents.

Is Snape Harry's real father? This is literally not true at all. Harry's father is James Potter. You made me laugh out loud, for real dude.

Did James Potter bully Snape? Yes, James Potter was a huge bully towards Snape during his tenure at Hogwarts. James was infatuated with Lily Evan's practically from the first time they met, according to his friends. However, for the first few years of his school life, Lily openly disliked him. She was however very fond of Snape.

What happened to Hermione's potion? The potion was complicated and could go awry. For example, when Hermione brewed Polyjuice in her second year, she intended to take the form of Millicent Bulstrode, but she mistook her cat's hair for Millicent's. The resulting potion caused Hermione to partially transform into a cat,

Why did Snape cut off George's ear? The injury was caused by Snape's Sectumsempra spell in order to stop the Death Eaters from hurting George (who he thought was Harry) and Lupin, but missed and hit George. Hermione and Kingsley then arrived, both unharmed, followed by Arthur and Fred Weasley, both concerned for George.

Why didn't Harry get in trouble for using sectumsempra? When Harry critically injured Draco Malfoy with the Sectumsempra curse, it was actually enough to have him expelled, as Professor Minerva McGonagall stated Harry was lucky not to have been, due to Snape giving lenience to prevent others from finding out that he was the one who invented the curse.

How did Draco heal from Sectumsempra? Vulnera Sanentur was the song-like incantation of a healing spell which healed deep wounds, and could also be used as the counter-curse for the curse Sectumsempra.
