

Axminster cnc technology axminster tools machinery

[Download Complete File](#)

Who makes Axminster tools? Axminster is more than just our name. A lot of our products aren't just labelled Axminster - they're made by us, in Axminster. We design and manufacture products from our UJK and Woodturning range - and more! - at our HQ in Axminster, a small town in south-west England.

What is the number for Axminster? If you require more information, please call us on 03332 406406.

Are Axminster lathes made in China? Being my first lathe, I did the usual shopping around and decided to purchase a British made Axminster Craft, or as a thought! When it arrived I was amazed to find it had been made in China! That said, it is a well made tool and I am pleased with it.

Who makes tools for Lowes? Kobalt is a line of hand and mechanics' tools, power tools, and tool storage products owned by the American home improvement chain Lowe's.

Where is Axminster Tools headquarters? Unit 10 Weycroft Avenue, Axminster, Devon, EX13 5PH, United Kingdom.

What line is Axminster on? Axminster station is on the East Devon Line. Axminster station is a short walk from the town centre.

What is the dialing code for Axminster?

Are grizzly lathes made in China? Our machines are manufactured in several countries, but the majority of them come from Taiwan. We have worked with

factories in Taiwan since 1983.

Where are Axminster Rider tools made? Whilst we source products from across the UK and all over the world, we take particular pride in the manufacture of a growing range of our own products at our state-of-the art facility in Axminster, Devon.

Where are Meyer lathes made? The Meyer Euro Line range of precision centre lathes are of robust construction and are designed and manufactured in Europe using high quality materials and with stringent quality control procedures.

Who makes Home Depot tools? Husky is a line of hand tools, pneumatic tools, and tool storage products. Though founded in 1924, it is now best known as the house brand of The Home Depot, where it is exclusively sold. Its hand tools are manufactured for Home Depot by Western Forge, Apex Tool Group, and Iron Bridge Tools.

Who makes Sears tools? Craftsman is a line of tools, lawn and garden equipment, and work wear. Originally a house brand established by Sears, the brand is now owned by Stanley Black & Decker.

Is Lowes moving away from Kobalt?

Where are Axminster Rider tools made? Whilst we source products from across the UK and all over the world, we take particular pride in the manufacture of a growing range of our own products at our state-of-the art facility in Axminster, Devon.

What company makes Cornwell tools? Cornwell Quality Tools is an American privately held company manufacturing tools for the automotive and aviation industries. The company is currently based in Wadsworth, Ohio.

Who makes Sears tools? Craftsman is a line of tools, lawn and garden equipment, and work wear. Originally a house brand established by Sears, the brand is now owned by Stanley Black & Decker.

Who makes Napa tools? Additionally, NAPA now carries insulated hand tools made by Carlyle. Because modern electric vehicles and hybrids contain extremely high voltages and amperages, it is critical to have the right tools to keep you protected when working on them.
