Accelerated Reader: Frequently Asked Questions\*\*

### **What is the pass mark for Accelerated Reader?**

The pass mark or target score for Accelerated Reader varies depending on the individual student and the criteria set by their teacher. Typically, a pass mark is around 70-80%.

### **How do I test my Accelerated Reader?**

To take an Accelerated Reader test, students locate and read a book with an assigned AR point value. Once they have finished reading, they take a corresponding quiz on a computer or tablet to demonstrate their comprehension of the book.

### **What are the Accelerated Reader quiz types?**

Accelerated Reader offers different quiz types to assess comprehension, including:

- **Star Quiz:** Multiple-choice questions
- **Point Quiz:** Questions with open-ended answers
- **Voucher Quiz:** Multiple-choice questions with a limited number of quizzes allowed per year

### **How many questions are on the Accelerated Reader test?**

The number of questions on an Accelerated Reader test varies depending on the book and quiz type. Typically, quizzes have around 10-15 questions.

### **How to find Accelerated Reader answers?**

To find Accelerated Reader answers, students must rely on their knowledge and comprehension of the book they have read. It is not recommended to use external sources to find answers.

### **What is the highest AR reading level?**

The highest Accelerated Reader reading level is Z. This level represents advanced text complexity and is typically appropriate for high school students.

### **Can you retake an AR test?**

Yes, students can usually retake an AR test. However, some teachers may limit the number of retakes allowed.

### **How to get AR points fast?**

To get AR points fast, students should focus on reading books with high point values and taking quizzes on those books. They can also participate in AR challenges or events offered by their school.

### **How do I delete a quiz in AR?**

To delete a quiz in AR, students must contact their teacher or AR coordinator. Only they have the authority to delete quizzes from student accounts.

### **What is a good score on Accelerated Reader?**

A good score on Accelerated Reader is typically around 80-90%, indicating that the student has a solid understanding of the book they have read.

### **What is passing on an AR test?**

Passing an AR test means achieving the target score set by the teacher. This usually falls within the range of 70-80%.

### **What grade does Accelerated Reader stop?**

Accelerated Reader is typically used in grades 3-8, although some schools may extend its use to grades 9 or 10.

### What is an AR score?

An AR score is the number of points a student has earned by taking Accelerated Reader quizzes and passing with the target score. This score helps track student progress and monitor comprehension.
