## Writing Idiomatic Python 3.3: Q&A

**Q: What's the Pythonic way to concatenate a list of strings into a single string?**

A: Use the `join()` method of the string class. For example:

```
>>> ', '.join(['a', 'b', 'c'])
'a, b, c'
```

**Q: How can I check if a key exists in a dictionary without raising an error?**

A: Use the `in` operator. For example:

```
>>> 'foo' in {'foo': 1, 'bar': 2}
True
```

**Q: What's the best way to iterate over the elements of a dictionary?**

A: Use the `items()` method to iterate over key-value pairs. For example:

```
>>> for k, v in {'foo': 1, 'bar': 2}.items():
...     print(k, v)
foo 1
bar 2
```

**Q: How can I get the index of the first occurrence of an element in a list?**

A: Use the `index()` method. For example:

```
>>> ['a', 'b', 'c'].index('b')  
1
```

**Q: What's the Pythonic way to create a new list with the elements of an existing list filtered out?**

A: Use a list comprehension with the `not in` operator. For example:

```
>>> [x for x in ['a', 'b', 'c'] if x not in ['b', 'c']]  
['a']
```

**What is the book Othello about?** Othello Summary. Iago is furious about being overlooked for promotion and plots to take revenge against his General: Othello, the Moor of Venice. Iago manipulates Othello into believing his wife Desdemona is unfaithful, stirring Othello's jealousy.

**What are the main points of Othello?**

**Is Othello worth reading?** Othello is undoubtedly a brilliant piece of literature and theatre; it's a riveting story about the worst parts of human nature that culminates in a satisfyingly tragic conclusion.

**Why is Othello so popular?** Both Othello and Iago are driven by their desire for power and recognition, and their ruthless pursuit of their goals ultimately leads to tragedy. The play serves as a reminder of the importance of humility and the dangers of unchecked ambition, a lesson that is just as relevant today as it was in Shakespeare's time.

**What is the main message of Othello?** Some of the major themes in this play include racial prejudice, manipulation, and jealousy. Specifically, Othello is regarded as a beast by other characters because he is black. Iago is jealous of Cassio because Othello promotes him to a higher military position.

**What is the main moral of Othello?** "Othello" is a cautionary tale. It prompts us to check our reflexive feelings and to be fairer and more generous toward those whom we might dismiss or pigeonhole. It also encourages us to be more forgiving of others' trespasses.

**What is Othello's tragic flaw?** Othello's tragic flaw is a couple of things. First of all, Othello does not know who to trust. In the story, Othello blindly puts his faith in the malevolent Iago who plans revenge, yet suspects the loyalty of Desdemona who stays true to Othello, which ultimately leads to his downfall.

**What is the big idea of Othello?** Jealousy. Jealousy motivates the central conflicts of Othello: Iago's resentment of Othello, and Othello's suspicion of Desdemona. Iago is immediately revealed as a jealous character: in the first scene, he complains that Cassio has been promoted instead of him even though "I am worth no worse a place" (1.1.).

**What is the most important scene in Othello?** Othello wants Cassio dead, Iago agrees to do it, and then Othello wonders how to kill Desdemona. This scene, often called the "temptation scene," is the most important scene in the entire play and one of the most well-known scenes in all drama.

**Why don't people like Othello?** It drives many of the decisions made by its characters, because Othello is a Black man in a city of white Venetians and is often seen as an outsider. Iago, the play's main antagonist, uses racism to turn people against Othello, such as Brabantio, the father of Othello's wife Desdemona.

**What is the easiest Shakespeare book to read?**

**What grade is Othello taught?** Shakespeare: ELA Grades 10-12.

**Why was Othello controversial?** The performance history of Othello has been extremely contentious in regards to the depiction of race onstage. As social and cultural responses to racial issues continue to shift, so do performance practices. Before the 20th century the role of Othello was most-likely played by a white actor.

**What year is Othello set in?** Othello is set during the Ottoman-Venetian War of 1570-1573, and Othello's time period tells us plenty about the play itself.

**Why did Iago hate Othello?** Iago hates Othello for multiple reasons, some more rational than others. Firstly, he is angry at Othello for choosing Cassio over him. He believes that he is the better soldier and is more deserving of the position. Secondly, he believes that Othello is conceited and chose Cassio to slight him.

---

**What is the religion of Othello?** Othello is a "pagan" synonymous to Muslim person who converts to Christianity. As Iago (his rival ) says that Othello has changed his religion for Desdemona's love. She can affect him "to renounce his baptism, \All seals and symbols of redeemed sin"(2.3. 45).

**Who is Othello jealous of?** Who is Jealous? Othello is driven to madness by the insinuations that his wife is cheating on him with this lieutenant, Cassio. Iago artfully engineers Othello's descent into madness by gradually feeding Othello lies.

**What is a spinster in Othello?** When he calls Cassio a "spinster," Iago is questioning Cassio's manhood, while also implying that just as real men know how to fight, real women know how to have sex. A spinster is an old, unmarried woman who has no experience of sex, just as the military theorist Cassio has no experience of battle.

**What is the main problem in Othello?** Othello's main problem is jealousy and trusting the wrong people. He trusted and was deceived by Iago who was suppose to be his best friend.

**What is Shakespeare trying to teach us in Othello?** It is as if Shakespeare were directing our attention to the tragic vulnerability of love itself. Desdemona's devotion is total; and while Othello's love may be based in part on her mirroring back to him his best self ("She loved me for the dangers I had passed, / And I loved her that she did pity them" [1.3.

**What does Othello learn at the end?** We also know that after Othello learns the truth (that he killed the ever-faithful Desdemona for no good reason), he decides to end his own life. The play ends with a depressed Ludovico saying that he hopes that Cassio will punish Iago, and that he'll relate the whole story of the seedy Othello affair to the state.

**What is the real tragedy of Othello?** Othello's pride is also turned to shame as he listens to the villainous Iago and murders his innocent wife. In doing this terrible deed, he also loses those things most precious to him. First, he loses his true love as Desdemona forgives him from her death bed by trying to hide his guilt.

**Why is Iago so evil?** Iago's lost promotion thus serves as the premise to his "evil:" just as his lack of political authority provokes him to commit crimes that cause him to dehumanize those around him, the characters' lack of social power in *Play It As It Lays* results in them engaging in manipulative acts of selfishness and revenge as a ...

**Who is the most tragic character in Othello?** Othello's fatal flaw is that he is susceptible to jealousy. When he hears the lie that his wife Desdemona has been cheating on him, it makes him so jealous that he kills her. When he finds out it wasn't true, he kills himself, making him the tragic hero.

**What is the paradox of Othello?** Shakespeare recovers Othello in the last speech that he gives Othello just before he kills himself. We see both Othellos as a paradox, where both views of Othello can be seen as truth. So Othello regains his former view and the only honorable thing he can do is to kill the Othello who killed his innocent wife.

**How did Desdemona fall in love with Othello?** Facts we learn about Desdemona at the start of the play: She is the only child of Brabantio, a rich senator. She fell in love with Othello when she heard the stories he told her father when he visited their house.

**Why is Othello still relevant today?** Othello is a play written in the 19th-Century, but its central ideas are still very relevant to today's audience. People in the modern world can learn very many things from Shakespeare's ideas. The play talks about racism, jealousy, war, and love. All these elements are very common in today's society.

**What is a short summary of Shakespeare's Othello?** The play is set in motion when Othello, a heroic black general in the service of Venice, appoints Cassio and not Iago as his chief lieutenant. Jealous of Othello's success and envious of Cassio, Iago plots Othello's downfall by falsely implicating Othello's wife, Desdemona, and Cassio in a love affair.

**What is the big idea of Othello?** Jealousy. Jealousy motivates the central conflicts of Othello: Iago's resentment of Othello, and Othello's suspicion of Desdemona. Iago

is immediately revealed as a jealous character: in the first scene, he complains that Cassio has been promoted instead of him even though "I am worth no worse a place" (1.1.).

**What is Othello about in one sentence?** The story of an African general in the Venetian army who is tricked into suspecting his wife of adultery, Othello is a tragedy of sexual jealousy.

**What is the real tragedy of Othello?** Othello's pride is also turned to shame as he listens to the villainous Iago and murders his innocent wife. In doing this terrible deed, he also loses those things most precious to him. First, he loses his true love as Desdemona forgives him from her death bed by trying to hide his guilt.

**What is Othello's tragic flaw?** Othello's tragic flaw is a couple of things. First of all, Othello does not know who to trust. In the story, Othello blindly puts his faith in the malevolent Iago who plans revenge, yet suspects the loyalty of Desdemona who stays true to Othello, which ultimately leads to his downfall.

**What does Othello tell us?** The play is about Othello's downfall from a highly respected army general to a man driven mad by jealousy because of the words and actions of Iago. Othello has several monologues in the play that help us to understand more about his emotional journey.

**What is the story of Othello in a nutshell?** William Shakespeare, Othello (1603) True to the genre of the tragedy, the play tells the story of how a great man, in this case Othello, who is a Moorish mercenary general in the pay of the Venetian government, is brought down by a fatal flaw in his character, in this case jealousy.

**What is the religion of Othello?** Othello is a "pagan" synonymous to Muslim person who converts to Christianity. As Iago (his rival ) says that Othello has changed his religion for Desdemona's love. She can affect him "to renounce his baptism,\All seals and symbols of redeemed sin"(2.3. 45).

**Who is Othello jealous of?** Who is Jealous? Othello is driven to madness by the insinuations that his wife is cheating on him with this lieutenant, Cassio. Iago artfully engineers Othello's descent into madness by gradually feeding Othello lies.

**What is Othello obsessed with?** Jealousy forces Othello's mind so tightly on one idea, the idea that Desdemona has betrayed him with Cassio, that no other assurance or explanation can penetrate. Such an obsession eclipses Othello's reason, his common sense, and his respect for justice.

**What is the controversy with Othello?** Othello's scrutiny of racial stereotyping, racist language, and xenophobic ideologies belongs to a genre-wide shift that occurred in Renaissance-era dramas, which were beginning to encourage their audiences to reconsider their society's perceptions of Africans and the validity of white superiority.

**What is the first sentence of Othello?** Thou told'st meThou didst hold him in thy hate.

**Why is Othello so important?** Othello remains popular because the 'noble Moor' is both a traditional and a unique tragic hero. Many would argue Othello is brought down by hubris, a kind of blind pride which afflicts many Jacobean tragic protagonists. But Othello is also unusual: he is the first black hero to be represented on stage.

**Why was Othello killed?** Iago, under pressure, admits accusing Desdemona. When Emilia discloses the truth about the handkerchief, Othello tries, unsuccessfully, to kill Iago, and Iago kills Emilia. Othello, aware of his enormous error in regarding Desdemona as unfaithful, stabs himself, falling dead on the bed beside Emilia and Desdemona.

**Was Othello based on a true story?** Till now almost all Shakespearean student have inclined to the belief that the poet borrowed his plot from a novel of the Italian, Giraldi Cinthio, who lived from 1504 till 1573.

**What is Iago's fatal flaw?** Iago's main failure is over-confidence and under-estimating his own wife. Ultimately, despite his ingenious scheme, he does get caught, but not before he has achieved the destruction he set out to achieve.

## **The Town Mouse and the Country Mouse: A Comparison**

---

The classic fable of "The Town Mouse and the Country Mouse" tells the story of two mice who live very different lives. The town mouse enjoys the excitement and abundance of city life, while the country mouse prefers the peace and simplicity of the countryside.

**Q: What are the different personalities and characteristics of the town mouse and country mouse?**

The town mouse is characterized by his adventurous and curious nature. He is quick-witted and always looking for new experiences. The country mouse, on the other hand, is more cautious and prefers a simpler life. He is content with his surroundings and enjoys the tranquility of the countryside.

**Q: How does the town mouse describe his life in the city?**

The town mouse boasts of the endless variety of food and entertainment available in the city. He describes the sumptuous feasts and lavish parties he attends, as well as the vibrant street life and bustling markets.

**Q: How does the country mouse describe his life in the countryside?**

The country mouse paints a picture of a serene and peaceful existence. He enjoys the fresh air and beautiful scenery, as well as the simple pleasures of growing his own food and foraging for berries.

**Q: What is the main conflict between the two mice?**

The main conflict between the two mice arises from their different perspectives and lifestyles. The town mouse believes that city life is superior to country life, while the country mouse values the simplicity and tranquility of the countryside.

**Q: What is the moral lesson of the story?**

The moral lesson of the story is that there is no one-size-fits-all definition of happiness. Different people may find fulfillment in different environments and

lifestyles. It is important to appreciate the unique qualities of each individual and to respect their choices.
