## [Download Complete File](#)

### **How to play jazz piano books?**

**Which jazz pianist can't read music?** Wes Montgomery, Erroll Garner, Django Reinhardt and obviously Roland Kirk are probably the most well known that couldn't read at all. There are many, many more jazz musicians that were/are very poor sight readers. Sure, but those guys are all (sadly) long gone, and the parent comment said "don't", not "didn't".

**How long does it take to be able to play jazz piano?** While some may make rapid progress, others may take years to develop their skills and find their voice as jazz pianists. An experienced musician with prior knowledge of classical theory can pick up jazz to performance standard in a couple of months.
