**How did assassination in Sarajevo increase tension in Europe?** The assassination of Franz Ferdinand stoked old tensions beyond the Balkans. The crisis spread as other powers pledged support for either Austria or Serbia. Austria knew that conflict with Serbia would likely involve Russia, which saw itself as Serbia's protector. Austria-Hungary turned to its own ally.

**How did Militarism increase tension in Europe?** Militarism- this was where countries built up their armies. Each country tried to compete to build the biggest army. This created a lot of rivalry and tension and it made countries suspicious of each other. They wanted to test their armies and prove they were the best in a war.

**How did imperialism add to tensions among European nations?** The tensions were a result of many colonies often being acquired through coercion. Then, once a nation had been conquered, it was governed by the imperial nation: many of these colonial nations were exploited by their mother countries, and dissatisfaction and resentment was commonplace.

**How did the Triple Entente cause tension in Europe?** This connected Britain, France and Russia in the 'Triple Entente' and stoked German fears of 'encirclement'. German nationalists viewed Britain as a barrier to their global ambitions and German generals increasingly feared the growing military threat of Russia.

**Did Serbia accept the ultimatum?** The ultimatum was presented by the Austrian government on Thursday 23 July 1914. A response was demanded within two days, by 25 July. The text of the ultimatum follows, as does the Serbian response, which virtually conceded all demands made by the Austro-Hungarians except one or two minor clauses.

**What was the main idea of the assassination of Sarajevo?** Archduke Franz Ferdinand, heir to the Austro-Hungarian throne, and his wife Sophie were shot dead in Sarajevo by Gavrilo Princip, a member of the Black Hand gang, a group of Serbian nationalists, whose aim was to free Serbia of the rule of the Austro-Hungarian empire.

**How did nationalism increase tensions in the Balkans?** Nationalist tensions emerged in the Balkans because of the spread of ideas of romantic nationalism as also the disintegration of the Ottoman Empire that had previously ruled over this area. The different Slavic communities in the Balkans began to strive for independent rule.

**How did nationalism cause tension in Europe?** In the late 19th and early 20th centuries, nationalism was on the rise across Europe, with many nations seeking to assert their independence and power. This led to competition and tensions between nations, as each sought to expand their territory and influence.

**How did tensions in Europe lead to war?** Tensions in Europe had been building for years and there was a growing feeling that German aggression needed to be confronted with force. The British reluctantly accepted that war was necessary to stop Hitler. Germany represented a direct threat to British security and the security of its empire.

**How did the Bosnian crisis cause tension in Europe?** ? It increased tension between the alliances, as Russia stepped in to support Serbia, while Germany took Austria-Hungary's side. ? The Balkan League, consisting of Bulgaria, Greece, Montenegro and Serbia, was set up with the goal of forcing Turkey out of Europe.

**How did the assassination of Archduke Franz Ferdinand affect Europe?** The assassination of the Austrian Archduke Franz Ferdinand in 1914 was the immediate cause of the First World War. For four years, the great European powers fought a gruesome battle. Gavrilo Princip is arrested.

**Which factors created rising tensions between European powers before World War I?** The factors that created rising tensions between European powers before World War I included militarism, the spread of nationalism, the creation of alliances

through treaties, and the increase of imperialism through conquests. Militarism involved the expansion of armies and stockpiling of modern weaponry.

**What is Triple Alliance 1882 and how did it increase tensions among European nations?** Triple Alliance, secret agreement between Germany, Austria-Hungary, and Italy formed in May 1882 and renewed periodically until World War I. Germany and Austria-Hungary had been closely allied since 1879. Italy sought their support against France shortly after losing North African ambitions to the French.

### **Thinking Fast and Slow by Daniel Kahneman on iBooks**

#### **What is the book about?**

"Thinking, Fast and Slow" is a groundbreaking exploration of the human mind by Nobel laureate Daniel Kahneman. It delves into the two systems of thinking that we use: System 1, which is fast, intuitive, and largely unconscious; and System 2, which is slow, deliberate, and logical.

#### **What are the key ideas?**

Kahneman argues that our thinking is often biased by System 1's heuristics, or mental shortcuts. These heuristics can lead us to make errors in judgment, such as the availability bias (judging the likelihood of an event based on how easily it comes to mind). System 2 is capable of overcoming these biases, but it requires effort and attention.

#### **What are the implications for decision-making?**

Understanding the differences between System 1 and System 2 can help us make better decisions. When faced with a complex or important decision, we should slow down and engage System 2. This will help us avoid cognitive biases and make more rational choices.

#### **What is the unique feature of the iBooks version?**

The iBooks version of "Thinking, Fast and Slow" includes interactive exercises that help readers apply the book's concepts to their own lives. These exercises allow readers to test their System 1 and System 2 thinking styles and identify areas where

they may need improvement.

### **What has been the impact of the book?**

"Thinking, Fast and Slow" has been a critical and commercial success, selling over 2 million copies worldwide. It has been translated into more than 40 languages and has influenced the fields of psychology, economics, and decision science.

**What is the summary of falling into grace?** Brief summary Falling into Grace by Adyashanti is a spiritual guide on achieving true inner peace and enlightenment. Through mindfulness and self-reflection, we can let go of the ego and access our inner divinity.

**What does falling into grace mean?** Grace is something that comes to us when we may not know what we think we know. In this gap of not knowing, a whole other element of life and reality can rush in. We then realize something that previously we never could quite imagine.

**What is the plot of falling from grace?** Plot summary There is a storm coming and it is getting dark. Annie, younger by eleven months and more agile than Grace, scrambles up the side of a steep hill. Grace struggles to follow when suddenly the ground falls away. The search for her begins, but is hampered by bad weather.

**What happens in falling from grace book?** During a game of hide-and-seek on the beach during high tide, Grace goes missing and soon all eyes are turned on fourteen-year-old Kip who must clear his good name while trying to track down the clues left behind by his dearest friend.

**What is the meaning of falling to grace?** To fall from grace is an idiom referring to a loss of status, respect, or prestige. Fall from grace may also refer to: Fall of man, in Christianity, the transition of the very first man and woman from a state of innocent obedience to God to a state of guilty disobedience.
