The Bloomberg Way: A Guide for Reporters and Editors

What is the Bloomberg Way?

The Bloomberg Way is a set of journalistic principles and practices that guide the reporting and editing of news at Bloomberg News. It emphasizes accuracy, fairness, clarity, and brevity.

How do I write a Bloomberg-style news story?

Bloomberg-style news stories are written in a clear and concise manner. They start with a strong lede that summarizes the main point of the story. The body of the story provides more detail and context. Use specific examples and data to support your claims. Avoid jargon and technical terms that may be unfamiliar to readers.

How do I edit a Bloomberg-style news story?

When editing a Bloomberg-style news story, focus on improving the accuracy, clarity, and brevity. Check for factual errors and ensure that the story is written in a consistent style. Trim unnecessary words and phrases. Ask yourself if each sentence is necessary to convey the story's main points.

What are some of the most important principles of the Bloomberg Way?

- **Accuracy:** Bloomberg News strives to publish only accurate and reliable information. Reporters and editors double-check facts and rely on credible sources.
- **Fairness:** Bloomberg News aims to present all sides of a story fairly and objectively. Journalists avoid bias and strive to interview a range of sources.
- **Clarity:** Bloomberg-style news stories are written in a clear and easy-to-understand manner. Journalists use short sentences and simple language.
- **Brevity:** Bloomberg-style news stories are typically concise and to the point. Editors trim unnecessary words and phrases to make stories more readable.

How can I learn more about the Bloomberg Way?

Bloomberg News offers a number of resources for journalists who want to learn more about the Bloomberg Way. These include:

- The Bloomberg Way: A Guide for Reporters and Editors
- The Bloomberg Style Guide
- Bloomberg News University
- Bloomberg's internal training programs
